- 2 An official shall initiate a one game disqualification (player's next game) to further enforce player discipline concerning a player or coach's gestures, swearing at the officials, or other similar gross misconduct upon the conclusion of the game.
- 3 Flagrant violations: Some incidents may warrant more than one game disqualification, (ex: Molesting an official or causing injury by malicious use of the stick, etc). Sections and/or league officials are urged to formulate committees to adjudicate flagrant violations of the rules. Any coach, athletic director or game official should be empowered to initiate complaints to this committee.
