FROM: James M. Osborne, OCIAA Athletic Coordinator
RE: Potential Savings for Section IX Athletics
DATE: April 2, 2009

A handwritten signature in black ink, appearing to be "JMO", located to the right of the header information.

I believe the following list should be taken back to the leagues and also forwarded to the Section IX Sports Chairperson to develop procedures relating to potential savings.

- A. Section IX Tournament contests up to but not including the Section IX Finals. The officials would be selected and assigned from their home board.
- B. Tennis Boys and Girls – Reduce the number of qualifiers to the tournament.
- C. Soccer – Boys and Girls, Volleyball, Field Hockey, Basketball – Boys and Girls, Baseball, Softball and Lacrosse – Boys and Girls. Increase the percentage from .500 to .600 in order to qualify for the tournament.
- D. Boys and Girls Swimming: Reduce the entries into the Section IX Championship.
- E. Boys and Girls Golf: Reduce the entries into the Section IX Championship.
- F. Wrestling – Establish entry requirements to compete in the Section IX Tournament. Section IX Duals should not be an Open Tournament.
- G. Winter Track – Reduce the entries into the Class A/B meets.

These items to be discussed should generate a list of discussion and hopefully produce new ideas on potential savings in athletics.
