The National Wrestling Coaches Association and the NYS Department of Health have provided resources for the making of this webinar. The webinar will be 30 minutes in length and is open to 100 registrants per day. An invitation to join the webinar will be sent to all athletic administrators and coaches. **NOTE:** Rulings apply to contract years in question and may serve as a precedent for successor agreements. Rationale is given for rulings for future reference.

**Editorial Comment:** The NYSPHSAA believes the best agreements are reached between sections and local officials chapters. Impasse (request for Step One) should only occur when a hard, honest effort to come to agreement fails.

## Excerpt from Officials Agreement

*Should any member school of the NYSPHSAA, Inc. or any of its subdivisions fail to reach contract terms with regards to officiating for any sport season with {organization}, or if a grievance of any nature should arise after the execution of such contract, the parties agree to abide by the following procedure:*

*Step No. 1: In case of failure to reach contract terms, the NYSPHSAA, Inc. must be notified no later than the first day of the month of October preceding the school fiscal year in question. Sections and/or officials groups may not be entitled to impasse resolution procedures unless a minimum of 4 bargaining sessions were held (exclusive of ground rules meeting). Within thirty (30) days of notifying the NYSPHSAA, Inc., a concise statement of the issues and supporting facts, as well as evidence of agreed upon ground rules that governed the conduct of the negotiations and the schedule (record) of bargaining sessions held, must be submitted in writing to the Assistant Director. Should the declared impasse concern a grievance of any nature, the grieving party will also submit a filing fee of \$100.00, c/o the NYSPHSAA, Inc., prior to the convening of a hearing conducted by the NYSPHSAA, Inc. A hearing will be convened by a representative of the NYSPHSAA, Inc. and a representative of a sports officials organization both selected by the President of the NYSPHSAA, Inc. These two (2) representatives will serve to determine the facts and to recommend resolution of the issues as presented by two (2) representatives of the section involved and two (2) representatives of the Sport Chapter(s) involved. Neither party may introduce new topics for resolution that were not introduced during contract/grievance negotiations. All discussions and agreements should be completed by the following first day of January.*

*Step No. 2: If contract terms are not reached by the aforementioned first day of January; or if a grievance has not been resolved within ten (10) days of its presentation, a written report stating the issues involved, discussions held at the hearing and recommendations for settlement shall be presented to the parties. Acknowledgment of acceptance (or not) shall be dated and signed by all participating representatives; and submitted to the Assistant Director of the NYSPHSAA, Inc.*

*Step No. 3: If contract terms are not reached nor the grievance resolved within thirty (30) days after receipt of the recommendations under the provisions of Step No. 2, the issues shall be submitted by the Assistant Director to a committee comprised of two (2) past presidents of the NYSPHSAA, Inc., the Chairman of the NYSHSOCF, or his designee, and one sports officials representative who shall be jointly appointed by the Chairman of the OCF and President of the NYSPHSAA, Inc. The issues will be presented to this committee by two (2) representatives of the section involved and two (2) representatives of the sport chapter(s) involved. If the issue(s) concern a grievance of any nature, the appealing party will remit to the NYSPHSAA, Inc. a filing fee of \$200.00 prior to the convening of the committee. In such event, the issues shall be arbitrated to conclusion within thirty (30) days, and no later than 90 days, of the receipt of the request and all parties agree to completely abide by the results of the arbitration.*

Item 12 states:

*Expenses incurred by the personnel of the NYSPHSAA, Inc. in connection with implementing any of the steps listed above shall be shared equally by the officials organization(s) involved and the section involved. Expenses include all necessary and customary travel expenses, including, but not limited to mileage at the prevailing rate paid Executive Committee members, lodging and meals.*

**NYSPHSAA, Inc. IMPASSE HEARING GROUND RULES  
FACT FINDING / ARBITRATION**

**PRESENTATIONS**

- A. Each party will present their position on the announced issues at impasse. Presentations and comments shall be limited to these issues. All presentations will be directed to the hearing panel. No negotiation between the opposing parties will be allowed in the presence of the hearing panel.

- C. Each party will be afforded the opportunity to issue both opening and closing statements. Rebuttals to a position taken by the opposing party shall be reserved for the closing statements.

**TIME LIMITS**

Reasonable time limits for presentations will be set by the hearing panel's chairman. Requests for additional time must be approved by the panel chairman.

**ROLE OF HEARING PANEL**

The hearing panel will receive both oral and written positions from each party.

During oral presentations, the panel may interrupt at any time to gain clarification of any position stated. Such interruptions shall not unnecessarily intrude on either party's presentation or ability to fully present their argument.

Following adjournment of the hearing, the panel will render its decision in writing to both parties within 30 business days unless otherwise announced. Both oral and written arguments of each party will be considered prior to rendering the decision.

**RECORDING OF THE PROCEEDINGS**

- Once the two members are selected, the third, neutral member, is selected. This member would come from the American Arbitration Association.

- Position papers are shared with each party when both parties' papers are in possession of the Assistant Director of the NYSPHSAA.
- The NYSPHSAA's Attorney would not be present at the arbitration hearing.

- Report would be issued within 30 working days of the hearing unless otherwise noted.
