# RULE 6

## Individual and Team Sanctions

### 6.1 Individual Sanctions

#### 6.1.1 Definition of Misconduct

Misconduct is any behavior, action or conduct by a team member toward officials, opponents, teammates or spectators that is deemed inappropriate by the referees. Misconduct is subject to sanction by the first referee.

#### 6.1.2 Individual Misconduct Sanctions

Misconduct results in one of four sanctions (See Table 1) according to the degree of the offense. Repeated misconduct by the same team member in the same set is sanctioned progressively. However, assessing any sanction does not require the prior assessment of any other sanction. Similar unsporting acts by two different team members should result in a separate sanction to each team member.

**6.1.2.1 Warning**—For minor unsporting offenses such as inappropriately addressing opponents, spectators or officials, shouting and disrupting the conduct of the set, a warning (individual yellow card) is issued and is recorded on the scoresheet. A second minor offense during the same set by the same team member results in a penalty (individual red card).

**6.1.2.2 Penalty**—For rude conduct, a second minor offense or other serious offenses, a penalty (individual red card) is assessed by the first referee and is recorded on the scoresheet. A penalty automatically results in a loss of rally by the offending team and a point for the opponent. A second act warranting a penalty to the same team member during the same set results in expulsion.

**6.1.2.3 Expulsion**—Extremely offensive conduct (such as obscene or insulting words or gestures) or repeated rude conduct toward officials, opponents, other team members or spectators results in expulsion (red and yellow cards held together) of a team member from the set in which the offense occurred, and is recorded on the scoresheet. Additionally, an expulsion automatically results in a loss of rally by the offending team and a point for the opponent.

**6.1.2.3.1 Expelled players or substitutes** must remain on their team bench for the remainder of the current set. They may participate in team timeouts. Expelled coaches or support staff must leave the playing and spectator areas for the remainder of the current set. The expelled team member is subject to further individual sanctions for continued misconduct.

**6.1.2.3.2 A second expulsion** assessed to the same team member during a match must result in the disqualification of that team member for the

remainder of the current match and that team's entire next match (red and yellow cards held apart).

**6.1.2.4 Disqualification**—Any simulated, attempted or actual physical aggression toward officials, opponents, other team members or spectators, or a second expulsion of one team member during a match results in the disqualification of the team member for the remainder of the current match and that team's entire next match (red and yellow cards held apart), and is recorded on the scoresheet. Additionally, a disqualification automatically results in a loss of the rally by the offending team and a point for the opponent.

**6.1.2.4.1 Disqualified team members** must leave the playing and spectator areas for the remainder of the current match and are restricted from participation in the subsequent match.

**6.1.2.4.2 Disqualified team members** are permitted up to one minute to pick up belongings from the bench area provided they refrain from further misconduct. If the team member has not departed the team and spectator areas within one minute, the playing captain is warned that further delay will result in a default of the set. If the team member has not departed within 15 seconds after this warning, the set is defaulted.

**6.1.2.4.3 In the subsequent match**, disqualified players are restricted from any participation, including the timed warm-up activities.

**6.1.2.4.4 In the subsequent match**, disqualified coaches are restricted from any participation after the referees arrive at the court and begin administration of the match.

*Note: An expelled or disqualified player must be replaced by means of legal substitution. If a legal substitution is not possible, the team is declared incomplete. (See Rule 8.5.2.2.)*

#### 6.1.3 Team Discipline

The head coach and playing captain are responsible for discipline and proper conduct of their team members. If a nonplaying team member is guilty of misconduct but cannot be identified by the referees, the sanction is imposed against the head coach.

#### 6.1.4 Disruptive Coaching

Engaging in disruptive coaching is not permitted and results in an individual sanction. Examples of disruptive coaching include but are not limited to:

**6.1.4.1 Coaching** from a position outside the designated coaching area (See Rule 5.2.4);

**6.1.4.2 Loud or abusive language;**

**6.1.4.3 Inappropriate comments** to officials;

**6.1.4.4 Comments** to the opposing team;

**6.1.4.5 Throwing objects;**

**6.1.4.6 Displaying disgust** in an overt manner;

**6.1.4.7 Entering the court** while the match is in progress, except during a timeout;
