New York State Public High School Athletic Association
Executive Committee Meeting – October 19, 2016

EXTENDED PLAYING TIME IN VOLLEYBALL

☐ Action Item
☒ Discussion/ Information Item

Presenter:

Jim Rose, Modified Chair

Proposal:

“With section/league approval, extended playing time in modified volleyball may consist of 6 games per match. The number of points per game shall be limited to 20 points in these matches.”

Effective Start Date:

Fall 2017.

Rationale:

NYSPHSAA currently allows some sports to have extended playing time in the form of extended 4 qt games or 5th quarters. This motion would treat volleyball in the same fashion by limiting each game to 20 pts. instead of 25.

Proposal Originated:

Section 9 Modified Committee.

Budget Impact:

None. Officials would charge the same fee as a 3 set match.

Notes:

None.

"No more than four (4) games a week may be played."

- 1 If a pitch is thrown on a balk call, the pitch will NOT count for the purposes of this rule
- 2 A pitcher at any level who reaches the pitch count limit in the middle of an at-bat will be allowed to finish that hitter.
- 3 Schools will have the responsibility to maintain all pitching charts. They will also be required to make any game chart available to any school prior to any game to show availability of pitchers for that given day.
- 4 During games each team will record pitch counts on the official NYSPHSAA pitch count form, this should not include warm-ups or pick off attempts. After each half inning the pitch counts will be confirmed by both teams. Any discrepancy will be resolved based on the records of the home team pitch count chart.
- 5 At game's conclusion, the NYSPHSAA pitch count form will be signed by both head coaches or designated representative.
- 6 Any violation of this rule will be considered in the same light as a school using an ineligible player. The game will be forfeited.
- 7 As per the NYSPHSAA handbook any additional penalties may be imposed at the school or section level.

Section IX Athletic Council

At this year's NYSPHSAA Girls Golf Championship (2015-2016) the State Coordinator announced that a State Team Championship is probable in the near future. For this to occur, each participating section will need to recognize a section team champion. That team (individuals) will then represent their school and compete in the NYSPHSAA Girls Golf Championship. There will still only be only one weekend of play for ALL individuals. Scores will be filtered to recognize the various state champions. (Individual, Public School top 20, Federation, Section Team Champion, and the School Team Champion) Other sections in the state are already recognizing team champions in girls and boys golf.

Please consider the following at this time for the 2016-2017 season;

Girls Golf Section IX Team Championship Proposal

- At this time, only the Division Champs (and ties if applicable) are eligible to compete for the Section IX Team Championship. Most of these teams already have 2-3 girls participating in the tournament, so the increase of players would be approximately 4-8 tops.
- It will be played at the same site, on the same day, of the FIRST round of sectionals.
- Individuals will play 18 holes, and will be required to HOLE OUT.
- Teams would play 4 and score their best 3, or play their best 3 and count all scores.

I am open to any suggestions or recommendations from the Council, which will help expedite this proposal and increase participation and the recognition of Girls Golf within the Section and State.

New York State Athletic Administrators Association

MINIMUM CERTIFICATION REQUIREMENT

FOR ATHLETIC ADMINISTRATORS IN NEW YORK STATE

Proposed Resolution:

WHEREAS, the National Interscholastic Athletic Administrators Association (NIAAA) and the New York State Athletic Administrators Association (NYSAAA) recognizes a need for requiring all athletic administrators (athletic directors) to have a minimum competency level and a knowledge base equivalent to the NIAAA standard of Certified Athletic Administrator (CAA) in order to perform the duties and responsibilities of the position of athletic administrator in New York State.

WHEREAS, attaining this certification (NIAAA Certified Athletic Administrator – CAA) should not exceed three calendar years.

WHEREAS, attaining this certification should only apply to those who are not NYS certified teachers in Physical Education and hold NYS Certification as SBL or SDL (SAS or SDA).

THEREFORE, BE IT RESOLVED that the New York State Athletic Administrators Association supports and encourages the New York State Public High School Athletic Association and its component sections to require and mandate that all NYS Athletic Administrators (Athletic Directors) in secondary schools attain a minimum of NIAAA Certified Athletic Administrator (CAA) certification within three years.

Desired Date for Approval & Implementation by the NYSPHSAA: 2018-19 School Year

Approved by the NYSAAA Representative Board on 10/3/2016

1) Life of An Athlete:

Currently the NYSPHSAA Handbook "requires" each section to hold at least one chemical health workshop during the school year..... (see handbook excerpt below):

THE NYSPHSAA, INC. CHEMICAL HEALTH MANDATE

Each section must hold at least one chemical health workshop during the school year emphasizing educational and preventative strategies, and attended by representation from each school in their section. The chemical health workshops were mandated in 1990-91.

Consideration for revising language to read:

"Each Section is recommended to hold at least one chemical health workshop during the school year....."

****Unanimous support for this change by the Committee.**

2) Practice and appeals:

Students are currently permitted to "practice" while their eligibility is being appealed to the Section, State or NYSED Commissioner.

Question: what would happen if the student was appealing the NYSED Age of 19 regulation because the student was 20 years old? Could this be a liability to the school and/or State if this student were to injure another student in practice? Should NYSPHSAA consider permitting students athletes to "practice" if they are appealing a NYSPHSAA standard, but not to practice if they are appealing an NYSED Regulation?

**New York State Public High School Athletic Association
Executive Committee Meeting – January 27, 2017**

**OVERSIGHT COMMITTEE FOR CLASSIFICATION OF
NON-PUBLIC AND CHARTER SCHOOLS**

√ Action Item
 Discussion/ Information Item

Presenter:

Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consider approval of an oversight committee, to review the classification placement of non-public and charter schools.

Effective Start Date:

2017-2018 school year.

Rationale:

The Oversight Committee met on August 17, 2016 to:

- explore the possibility of creating a statewide Oversight Committee to review and examine Sections placement of non-public and charter schools.
- explore the creation of standard criteria to use when classifying non-public & charter schools.

While the sub-committee agreed Sections should keep their “own” established criteria, they also decided an Oversight Committee would benefit the 11 Sections.

The NYSPHSAA Handbook states “*Non-public and charter schools may be classified by sport. Sections will establish a process for the review of the classification of all nonpublic and charter schools in their section.*”

There is concern within the membership that Sections may classify non-public and charter schools in a manner which has the potential to negatively impact schools from other Sections during post-season play. The Oversight Committee would review the placement of non-public and charter schools and have the ability to remand the item back to the Section for rationale and further review; the Oversight Committee would not have the ability to place non-public and charter schools in a classification they believed to be most appropriate, but they could make a recommendation to the Section for placement.

The Oversight Committee’s responsibilities would be:

- Review the placement of all non-public and charter schools.
- Accept the placements of non-public and charter schools.
- OR-
- Remand placements back to the Sections for rationale and further review. The Oversight Committee would have the ability to make a recommendation on the placement.
- If remanded back to the Section, the Section may:

- 1) revise the placement of the non-public or charter school.
 - If revised, the Oversight Committee will review again.
- 2) keep the classification placement of the non-public or charter school.
 - Note: any NYSPHSAA member school may abide by the defined NYSPHSAA appeal policy. The NYSPHSAA Appeal Panel shall have the power to affirm, reverse, or modify the decision of the Section Athletic Council.

The Oversight Committee would consist of the following:

- NYSPHSAA Executive Director would serve as Chair of the Committee
- NYSPHSAA President would appoint five representatives from the five classifications at the beginning of the two year term of the presidency, along with a sixth member from a non-public/charter school. For voting purposes, if the committee cannot come to a consensus (i.e. 3-3 vote) no change/ recommendation would take place (i.e. accept the placement).

The Oversight Committee would meet at least three times and as required, to review the classification placement of non-public and charter schools.

Proposal Originated:

In July 2018, a committee (representative of all 11 Sections, along with NYSPHSAA staff, officers, legal counsel, legislative lobbyist and insurance agent) met in Saratoga Springs to address concerns with non-public schools participating within the NYSPHSAA. Two sub-committees were created out of this committee: (1) *12th Section*- examine the feasibility of creating an additional Section for non-public schools (2) *Oversight*- to examine the potential for the creation of a committee to review the placement of non-public and charter schools classification placement.

Budget Impact:

Minimal; potential for Oversight Committee travel if “in-person” meetings were necessary.

Notes:

This proposal was discussed at the July 2016 Central Committee meeting and the October 2016 Executive Committee meeting.
