Consideration to revise the NYSPHSAA Transfer by adding:

“Note: a student’s Eligibility is determined by the situation/ facts that exists at the time of registration.”

Re: Fall 2018 Meeting Report
NYSPHSAA Committee for Modified Athletics

The fall meeting of the NYSPHSAA Committee for Modified Athletics took place on Thursday, September 20, 2018 in Latham, New York. A synopsis of the meeting is as follows:

I. Items that went to the State Executive Committee:
None at this time.

II. Items that went to the State Safety Committee

Baseball

Motion: *"Should modified baseball players be allowed to use shoes with metal cleats?"*

Approved by the Modified Committee 14-3. If passed by the Safety Committee, it will become an Action Item at the Spring 2019 Modified Committee meeting.

Boys' and Girls' Soccer

Motion: *"Should there be a change to two 40-minute halves for boys' and girls' soccer?"*

Approved by the Modified Committee 9-8. If passed by the Safety Committee, it will become an Action Item at the Spring 2019 Modified Committee meeting.

Motion: *Should the sliding tackle, overhead scissors kick, and flip throw-in be allowed in modified boys' and girls' soccer?*

Approved by the Modified Committee 10 YES -7 NO. If passed by the Safety Committee, it will become an Action Item at the Spring 2019 Modified Committee meeting.

III Items which will occur before the Spring 2019 Modified Committee meeting:

- A. Distribution of "Survey Monkey" for Modified Cheerleading by NYSPHSAA office, and reporting of survey results to modified sport coordinator Alisa Pacheco. Schools in our section with modified cheering teams will receive this survey and are requested to participate. The modified cheerleading standards will be written after the modified cheerleading sport coordinator receives the survey results.
- B. Modified Sport coordinators' continued examination of modified game conditions and standards for their sports, and development of sectional recommendations for the Modified Committee. This is a year-long evaluation prior to submission of a Modified Athletics document of all recommended changes to NYSPHSAA this summer.

C. Appropriate report preparations by fall and winter sports coordinators. The following sports are scheduled for review: boys' and girls' basketball, cheerleading, cross-country, field hockey, gymnastics, ice hockey, boys' and girls' soccer, boys' and girls' swimming, boys' and girls' volleyball, and wrestling

IV Discussion Items

Continuation of the Spring 2018 meeting discussion of current modified philosophy and modified sport regulations focused on the discussion items presented to you at our last meeting. Each section presented input, and a Committee vote was taken. Several of those discussion items involved sports modifications that already exist in the NYSPHSAA handbook, and did not require a vote.

The Action Items listed in the next section were approved discussion items at this meeting and advanced to further discussion as Action Items in the Spring 2019 meeting of the NYSPHSAA Committee for Modified Athletics.

The following discussion items were defeated at the fall meeting:

- Rebranding the name of "Modified Athletics"
- Boys' and Girls' Soccer: allowing one time-out per half for girls and none for boys
- Boys' and Girls' Soccer: Withdrawn motion. Disallowing overtime in boys' soccer and allowing two 5-minute overtimes in girls' soccer
- Softball: Changing the maximum number of games

V. Action Items for Next Meeting

A. Baseball

Action Item may be added if passed by Safety Committee (See "Items that went to the State Safety Committee on page 1)

B. Cross-Country:

Motion: *"It is recommended that there be a minimum standard of six meets scheduled for modified cross country."*

Approved by the Modified Committee 15-2.

C. Football:

Motion: *"Should 11-Man Football Game Rule #2 be edited to allow gap alignment in the 4-man, 5-man, and 6-man front?"*

Approved by the Modified Committee 15-2.

D. Gymnastics:

Motion:

"Should modified gymnasts be permitted to enter more than 3 slots per meet?

"Should modified gymnastics allow more than two All-Around gymnasts?"

Approved by the Modified Committee 13-2-2.

E. Boys' Lacrosse:

Motion: *"The following game rules will be added to modified boys' lacrosse:*

The length of quarters, including a fifth quarter, shall be 10 minutes.

In the event of a tie, there shall be one 4-minute sudden victory overtime.

A goal will be disallowed after the horn sounds to indicate the end of the period."

Approved by the Modified Committee 14-1-2.

F. Boys' and Girls' Soccer:

Action Items may be added if passed by Safety Committee (See "Items that were sent to Safety Committee on page 1)

G. Softball:

Motion: *"Allow more scrimmages in modified softball."*

Approved by the Modified Committee 11-6.

Motion: *"Increase the number of doubleheaders permitted from two to three."*

Approved by the Modified Committee 15-2.

H. Track and Field:

Motion: *"It is recommended that there be a minimum standard of six meets scheduled for modified track and field."*

Approved by the Modified Committee 17-0

I. Boys' & Girls' Volleyball

Motion: *"Should the minimum time between contests of two nights' rest for modified volleyball be reduced to one night?"*

Approved by the Modified Committee 17-0

VI Information Items

1. The following language was removed from the handbook by the Executive Committee at their summer meeting: *"Only sneakers and shoes with molded soles or molded cleats are permitted in the Modified Program."* Therefore, it was clarified

- that the use of metal posts and spikes is permitted, except in those sports that specifically restrict their use within their sport 'Equipment' rules in the handbook.
2. The 2018-2019 NYSPHSAA State Sport Committee Meetings list was distributed. The list does not impact the modified program, except for potentially changing the modified sport season starting dates for those sections who use three seasons or start early in the fall.
 3. Individual and team minimum number of practices prior to the start of scrimmage/game play are being discussed. It is possible that six practices will be required for the individual and most team sports, and ten will be required for the sports of football, gymnastics, baseball, wrestling and fencing. The rationale is that it is sound to have students have at least a week of preparation prior to participating in a scrimmage/game. This is a proposal-only for 2020; more information will follow.
 1. A memo was received from modified gymnastics coordinator Janice Trudeau. The NYS Technical Handbook for Gymnastics is now going to include modified rules. The gymnastics handbook is in the process of being printed, and will be a combination of rules being used by current teams in Sections 7, 8, and 11, where gymnastics is being offered. Janice shared the information that she brought to the Modified Committee in the spring with the person writing the new gymnastics handbook. In addition, Janice suggested that the current Girls' Gymnastics "Game Rules: USAGJO/NYS Technical Handbook" be edited as the high school rules to simply "Game Rules: NYS technical Handbook." She will report to the State Modified Committee again at their Spring 2019 meeting. If you have any questions, contact Janice at her cellphone: 518-420-5797 or via trudeau.janice@bcsdk12.org.
 4. Girls' modified lacrosse sport coordinator Beth Staropoli shared that new girls' lacrosse rules are being implemented at the high school level for the first time. They include real changes (the self-start, the new penalty zone--the clearing of a greater space for 8-meter free position and the placement of the defender on an 8-meter shot.) Beth believes these rules will have a great impact on the flow and safety of the game. These changes will need to be discussed, and we will either accept or reject them for the modified level for next spring. The impact they have at the high school level will have to be examined first.
 5. We are in need of a new modified girls' basketball sport coordinator and a new boys' and girls' tennis sport coordinator for the NYSPHSAA Modified Committee. If you would consider taking on this role, please let us know. Your participation would be appreciated.

Rationale:

Based on the current NYSPHSAA Championship Philosophy the following formulas are used:

401 - above	5

Add: 501 – above

COMBINATION TEAM/INDIVIDUAL SPORTS: Currently applies to: Cross Country, Skiing, Bowling, Wrestling (Oct. 2016), Girls Golf (Oct. 2016) and Rifle.

Number of Varsity Programs	Number of Allowable Championship Classes or Divisions

CLASSIFICATION ADJUSTMENT – RECEIVERSHIP

 Action Item
√ Discussion/ Information Item

Presenter:

Matt Walentuk, Section VII Executive Director

Proposal:

If a school is placed on NYSED Receivership or other similar NYSED situation where a school is restructuring, then the NYSPHSAA office will place a school in the appropriate classification based on their current enrollment in August of the upcoming school year.

Note: If two or more schools are located within the same physical building, 100% of their BEDS will be used if they are following the Combining of Teams process.

Effective Start Date:

Summer 2019

Rationale:

To allow for statewide equity to attempt to have as many schools playing in their appropriate classification. With the change in when BEDS classifications projecting two years out, this allows a way for schools to play in their appropriate classification.

Proposal Originated:

Several times schools have competed in and/or won NYSPHSAA championships in classifications that did not match their current class size.

Budget Impact:

None

Notes:

The BEDS number is designed to project students that currently in 10th, 11th, and 12th grade. NYSPHSAA can gather the current enrollment of students in grades 10, 11, & 12 from the school's student information management system in this situation and place the school in the appropriate classifications. A section will notify the NYSPHSAA office for a classification adjustment.

CLASSIFICATION ADJUSTMENT – INFLUX/REDUCTION

☐ Action Item

Presenter:

Proposal:

Rationale:

To allow for statewide equity to attempt to have as many schools playing in their appropriate classification. With the change in when BEDS classifications projecting two years out, this allows a way for schools to play in their appropriate classification.

GIRLS WRESTLING- REPRESENTATION RULE

 Action Item
 √ Discussion/ Information Item

Presenter:
Section IX

Proposal:

Consider approval of the following language *addition* to the NYSPHSAA representation rule:

NOTE: Teams organized for one gender may only practice and compete against teams of that same gender. Furthermore, once an individual competes on a team for one gender during the regular season, he/she may not compete for or against a team organized for the other gender during that regular season.

NOTE: for individual, individual/ team sports, when a school district does not have a team designated for each singular gender, the Section Executive Director may grant a waiver of the Representation Standard for Sectional Competition when a student has met the qualification for participation in the current school year's NYSPHSAA Championship event. The waiver request must be submitted to the Section Executive Director before the start of Sectional Competition. The athlete must meet all eligibility standards, to receive the waiver.

NOTE: *for the sport of girls wrestling, a girl may wrestle during the regular season as a member of the boys team via mixed competition and also compete in tournaments organized specifically for girls, as long as she does not exceed the maximum number of points (20) during the regular season.*

Effective Start Date:
Winter 2019-2020 season.

Rationale:

This proposal would permit a female wrestler to wrestle as a member of the boys team via mixed competition, while also permitting the female wrestler to wrestle only against girls. The goal would be to increase participation in girls wrestling and eventually remove this "NOTE" from the representation rule.

Proposal Originated:
Section IX Athletic Council.

Budgetary Impact:

Optional impact upon a school who chooses to send girls to wrestling tournament specifically for girls.

Notes:

Section IX will begin recognizing girls wrestling during the 2019-2020 season.

Handbook Committee supported this proposal at the September 21st Handbook Committee meeting.

Wrestling Committee supported this proposal at the September 24th Wrestling Committee meeting.

BOYS ICE HOCKEY – VIDEO REPLAY PROTOCOL

☐ Action Item
☒ Discussion/ Information Item

Presenter:

Scott Stuart, NYSPHSAA Boys Ice Hockey State Coordinator

Proposal:

The NYSPHSAA Ice Hockey State Committee is seeking to adopt a video replay protocol for Sectionals, Regionals and State Tournament games. The protocol is necessary due to adopting use of video replay, **Video Replay Rule 9-13** in the NFHS Rulebook in May 2018.

The proposed protocol is below:

1. **Video Replay** -Per adoption in May 2018, video replay is permissible in any postseason game (where available) for the purposes of determining goals, undetected goals and for determining correct time on the game clock. In order to reverse an on-ice ruling, the replay must include conclusive video evidence.
2. **On-Ice Officials Procedure** -The referee must use a video monitor located at ice level to review any of the criteria. An On-Ice Official makes the final decision.
3. **Video Replay Criteria** - The following criteria are subject to the use of video replay and may be reviewed through either referee's discretion or by a coach's challenge:
 1. A puck crossing the goal line
 2. A puck entering the net before the goal frame is dislodged
 3. A puck entering the net before or after expiration of time at the end of a period, a whistle, or referee's determination that play has stopped
 4. A puck directed into the net by a hand or a distinct kicking motion
 5. A puck deflected into the net by an official
 6. To establish the correct time on the game clock
 7. To determine if an attacking player prevented the goalkeeper from defending the goal in accordance of **Rule 7-13.5**
 8. To determine if a puck is directed or deflected into the net by a high stick
4. **Non-Detected Goal** -In situations where a non-detected goal is awarded, officials will reset the game clock accordingly. If penalties occur prior to or after the undetected goal, these penalties will be enforced regardless of team.
5. **Allowable Time for Review** -Any potential goal requiring video review must be reviewed prior to or during the next stoppage of play. No goal may be awarded (or

disallowed) as a result of video review once the puck has been dropped and play has resumed.

6. Team Timeout Request/Coach's Challenge - A team may use its timeout for the purpose of reviewing situations that are in the video replay criteria or a potentially non-detected goal. If the challenge is successful, the team retains its timeout. If the challenge is unsuccessful, a timeout is charged to the challenging team. This timeout policy applies to any video replay procedure used. An on-ice official makes the final decision. For a time out to be granted, a coach must:

- Declare, from the onset of the request, that the time out is for purpose of video review. A coach may not request a video review if the time out is taken for another purpose. A coach may not stall in any manner prior to requesting the review.
 - Identify the specific video replay criteria requested to be reviewed
- When any aspect of the video replay criteria is challenged, it allows the referee to utilize all aspects of the review criteria to be judged (e.g., high stick challenged, but video shows the puck was kicked into the goal).
 - When a video review, due to technical issues with the video replay system, is unable to provide an adequate review, a team time out will not be charged.
 - If a team does not have a timeout remaining, they may not make a challenge.

Effective Start Date:

Winter 2018 - 2019 Season. The committee is proposing this as a one-year pilot and would like to review the protocol after one year of use. At this time, the committee will revise the policy and seek approval for changes or keep the protocol indefinitely.

Rationale:

The use of Video Replay has been approved for use starting with the 2018 - 2019 season in accordance with the NFHS Rulebook. The criteria and protocol for the use of video replay is determined by the individual State Association adopting its use. The protocol being proposed blends current NCAA protocol and criteria that the NYSPHSAA State Committee and NYS Ice Hockey Officials Association feels is necessary for high school hockey in NYS. The Committee also believes this protocol will provide a simplistic and consistent approach to use of video replay in postseason across the state.

Proposal Originated:

NYSPHSAA Boys Ice Hockey Committee meeting on September 28, 2018

Budget Impact:

None

Notes:

The Committee voted unanimously in favor of this proposal at their September 28th meeting.

BASEBALL – ADOPT P/DH RULE

 Action Item
√ Discussion/ Information Item

Presenter:

Al Roy, NYSPHSAA Baseball State Coordinator

Proposal:

The NYSPHSAA Baseball Committee seeks approval to adopt the following Pitcher (P)/Designated Hitter (DH) Rule. *The designated hitter and the pitcher may be the same person. If the pitcher bats for himself, he is treated as two separate positions – a pitcher and a designated hitter (abbreviated P/DH on the lineup card) – and may be substituted for as such (i.e. if a player who starts the game as the P/DH is relieved as the starting pitcher, he may not return to the mound even if he remains in the game as the DH, and he may not play any other defensive position after being relieved as pitcher.)* This rule will be provided as another option for coaches to utilize.

Effective Start Date:

March 2019

Rationale:

This proposal will further support the NYSPHSAA Pitch Count Rule and limit the throwing, and wear and tear on the starting pitcher's arm when they are placed in the field after pitching. Additionally, it gives the coach flexibility with his lineup card. For further clarification, if a coach lists his starting pitcher as just "P" on the lineup card then the pitcher can go to a position after he pitches; if a pitcher is listed as "P/DH" he can only pitch or DH in the game (or be removed from the game). Currently, the NFHS Rule is the only Designated Hitter Rule in place at this time.

Proposal Originated:

NYSPHSAA Baseball Committee on June 8, 2018. The proposal was initially presented by Section 1.

Budget Impact:

None

Notes:

The NYSPHSAA Baseball Committee unanimously agreed to this proposal at its committee meeting on June 8th. On the September 21, 2018 conference call the NYSPHSAA Baseball Committee voted 10-1 in favor of this proposal.

BASEBALL – P/DH Other Information

Current NFHS Rule 3-1-4:

A hitter may be (not mandatory) designated for any one starting player (not just pitchers) and all subsequent substitutes for that player in the game. A starting defensive player cannot be listed as the designated hitter in the starting lineup. A designated hitter for said player shall be selected prior to the start of the game, and his name shall be included on the lineup cards presented to the umpire-in-chief and to the local official scorer. Failure to declare a designated hitter prior to the game precludes the use of a designated hitter in that game. If a pinch hitter or pinch runner for the designated hitter is used, that player becomes the new designated hitter. The player who was the designated hitter may re-enter as the designate hitter under the re-entry rule. No multiple substitutions may be made that will alter the batting rotation. The role of the designated hitter is terminated for the remainder of the game when:

1. The defensive player, or any previous defensive player for whom the designated hitter batted, subsequently bats, pinch hits or pinch runs for the designated hitter: or
2. The designated hitter or any previous designated hitter assumes a defensive position.

Proposed P/DH Rule:

The designated hitter and the pitcher may be the same person. If the pitcher opts to bat for himself, he is treated as two separate positions – a pitcher and a designated hitter (abbreviated P/DH on the lineup card) – and may be substituted for as such (i.e. if a player who starts the game as the P/DH is relieved as the starting pitcher, he may not return to the mound even if he remains in the game as the DH, and he may not play any other defensive position after being relieved as the pitcher. This rule will be provided as another option for coaches to utilize.

Cases:

1. The starting pitcher is listed as the P/DH on the lineup card. His team gets a 12-run lead after one inning. Can the coach replace the pitcher and put him in left field?
Answer: No, the P/DH rule prohibits the starting pitcher from playing any other position in the field once he is removed from pitching.
2. A coach must list the starting pitcher as the P/DH?
Answer: No, it's the coaches' option to list the starting pitcher as the P/DH.
3. A starting pitcher is listed on the lineup card as P (or 1). Can the coach replace him as pitcher and have him play second base?
Answer: Yes, because the pitcher was not listed as the P/DH on the lineup card.
4. The coach neglects to list the starting pitcher as the P/DH when the lineup cards are turned into the umpire-in-chief. Can he make a correction after the first inning?
Answer: No, all lineups are final after they are turned into the umpire-in-chief.
5. A coach can still have a designated hitter (another player) for the starting pitcher?
Answer: Yes, the P/DH rule does not change this option.
