NYSED PHYSICAL EDUCATION, HEALTH EDUCATION, and ATHLETICS UPDATE WINTER/SPRING 2019

3. I CAN DO IT!! CAN DO IT! A PHYSICAL ACTIVITY PROGRAM FOR K-12 STUDENTS WITH DISABILITIES (2019-2020)

- The **I Can Do It!** Program (ICDI), released through the U.S. Department of Health and Human Services, (Administration for Community Living), in partnership with the U.S. Department of Education, is a voluntary school-based physical activity program designed to provide access, facilitate, and encourage opportunities for students with disabilities to be physically active for 60 minutes a day. This can be accomplished by accumulating the 60 minutes through physical education, adapted physical education, recess, classroom physical activity breaks, active transport to and from school, and extracurricular activities, including a variety of club and sport activities.
- For additional information, or to get started, please contact Dr. Jayne Greenberg, Program Manager, at Jayne.Greenberg@hhs.gov, or 202 768-3557.

4. UNIFIED SPORTS "Inclusive Athletic Activities" EXTENDED ELIGIBILITY

- See: <https://www.regents.nysed.gov/common/regents/files/1219p12a1.pdf>
- emergency rule will become effective December 10, 2019.
- Because "unified sports" is actually a trademarked name, the emergency rule will amend the program name to "inclusive athletic activities." More notably, this amendment also establishes an exemption from the age and four-year limitations on participation in inclusive athletic activities. **The amendment also relieves students from the requirement of undergoing a physical evaluation that includes an assessment of physical development and maturity.**
- Under the new rule, the exemption may apply where the superintendent or chief executive officer of the school determines that: (1) the student is a *bona fide* student of the high school and has not yet graduated; (2) the student is otherwise qualified to compete; and (3) **the student underwent a health examination by the director of school services who determined that the student's participation will not present safety or health concerns.**

5. APPROVED COACHING COURSE LIST (Updated February 2019)

- The list has been updated on February 2019.
- See: <http://www.nysed.gov/common/nysed/files/programs/curriculum-instruction/courses-accepted-coaches-first-aid-and-cpr-aed-requirement.pdf>

6. CONCUSSION MANAGEMENT GUIDELINES UPDATED (June 2018)

- [The New York State Education Department Guidelines for Concussion Management in Schools](#) have been revised to reflect the current recommendations on managing concussions. Previous guidance was that students must be completely symptom free to return to activities. Now there is emerging research suggesting that some symptoms may be acceptable during return to activities. The updated guidelines now reflect this practice along with emphasizing that schools follow guidance of the student's health care provider on what symptoms are acceptable for return to activities.

OFFICIATING FEES & POLICIES FOR GIRLS BASKETBALL – WINTER 2020

☐ Action Item
☒ Discussion Item

Presenter:

Greg Ransom, CAC Chairmen

Proposal:

Consider approval to change the current language in the Fees and Policies under Girls Basketball. The change in language under selection of officials. The change would be, *"a replacement will be selected by the NYSPHSAA Chairperson or their designee"*.

Effective Start Date:

Winter 2020

Rationale:

The current language states that is 23 officials are not submitted the replacement officials will be selected from the host section. Selecting from the host Section creates potential conflicts of officials working certain games and the ability of the officials to work certain classes. This may be the case this current season because of the Class AA and Class A semifinal games on Saturday along with the Class B, C, D final games on Saturday as well.

Proposal Originated:

Girls Basketball Committee to the Championship Advisory Committee

Budgetary Impact:

There may be an increase in travel cost to NYPSHAA due to an official coming from outside the host Section.

Regional Rotations– ESTABLISH STANDARD REGIONAL ROTATION FOR 5-CLASS SPORTS

☐ Action Item
☒ Discussion Item

Presenter:

Robert Zayas, NYSPHSAA Executive Director
Joe Altieri, NYSPHSAA Assistant Director
Todd Nelson, NYSPHSAA Assistant Director

Proposal:

The NYSPHSAA Staff is seeking approval of a standard regional rotation for 5-class sports (b/g basketball, b/g soccer, baseball, softball).

Effective Start Date:

If approved, this proposal will go into effect after current rotations expire. See expiration dates in Exhibit A.

Rationale:

Adopting a standard regional rotation will provide equity and continuity for 5-class sports so all abide by the same Region assignments for sections. Sport committees can determine the specific rotation each year based on the pre-set standard Regions.

Proposed Standard Regional Rotation				
5 Sport Classification (Soccer, Basketball, Baseball, Softball)				
AA	1,4,9 (38)	2,3 (23)	5,6 (22)	8,11 (52)
A	2,3,7,10 (37)	5,6 (43)	1,4,9 (39)	8,11 (45)
* B	2,7,10 (31)	5,6 (53)	3,4 (33)	1,8,9,11 (38)
C	2,7,10 (27)	5,6 (59)	3,4 (48)	1,8,9,11 (21)
* D	1,4,8,9,11 (47)	2,7 (40)	5,6 (52)	3,10 (41)
* Denotes Changes to current rotation				

Proposal Originated:

At the August 2019 Central Committee Meeting, the NYSPHSAA Staff was charged with the task of exploring a standard Regional Rotation for all sports. The Championship Advisory Committee also tasked the NYSPHSAA Staff to inform sport committees and begin exploring a standard rotation. The proposed 5-class Regional Rotation is part of the task to explore standardizing Regions. Variation sports will be reviewed in the same manner.

Budgetary Impact:

The proposed set up will help keep contiguous sections playing against each other in Regional contests.

Notes:

The current sports this will impact are listed in Exhibit A with their regional rotation start/expiration years.

MEETING REPORT

Meeting: NYSPHSAA Handbook Committee

Date: January 8, 2020 @ 9:00 AM (Teleconference)

Topics Discussed:

Shared Services eligibility

Transfer Rule "date of registration"

Attendees:

* Renee James

Matt Walentuk

Robert Zayas

Todd Nelson

Shared Services:

Robert Zayas explained he often receives questions from member schools pertaining to the eligibility of students receiving shared services. The NYSPHSAA handbook includes information on students receiving shared services (see below). In some cases, shared services students are not able to participate at their home district because of time constraints related to travel for practice and games. In these cases, the school may apply for a waiver to the league & section.

Robert explained that a common question is whether a shared services student can participate at their shared service school and their home school district in the same school year. The interpretation has been that shared services students are only eligible at one school per year.

The Handbook Committee supported the addition of the LANGUAGE below:

NOTE: A student in shared services, part-time or full-time program, taking the equivalent of four subjects including Physical Education, is considered as being registered in the home school. A shared services student is only eligible at one school per school year (home district or shared service school) regardless of the interscholastic athletic programs offered. Exceptions for special cases must be approved by League and Section.

The Committee discussed concerns with a student no longer receiving shared services and the impact upon their eligibility. The Committee determined if a student no longer receives services, then the League and Section could permit the student to be eligible at their home district even though they may have already participated at their Shared Service school.

Transfer Rule:

Robert Zayas stated he tells member schools a student's period of ineligibility begins with the date of registration at the student's new school. Although the NYSPHSAA Transfer Rule (b) below includes: "A student who transfers without a corresponding change in residence of his/her parentsis ineligible to participate at the varsity level in any interscholastic athletic contest in a particular sport for a period of one (1) year if as a 9-12 student participated in that sport during the one (1) year period immediately preceding his/her transfer."

Robert said he would like the NYSPHSAA Transfer Rule to be clearer in declaring when the period of ineligibility begins.

The Handbook Committee supported the addition of the LANGUAGE below:

*b. A student who transfers without a corresponding change in residence of his/her parents (or other persons with whom the student has resided for at least six months prior) is ineligible to participate at the varsity level in any interscholastic athletic contest in a particular sport for a period of one (1) year if as a 9-12 student participated in that sport during the one (1) year period immediately preceding his/her transfer. **A student's period of ineligibility begins with the date of registration at the student's new school.** NOTE: Students in grades 7-10, shall be eligible to participate at the sub-varsity level and practice at all levels, while students in grades 11-12 shall be limited to practice (all levels) only. (July 2019). At no time during the one-year period of ineligibility at the varsity level should a student participate in a scrimmage or be an exhibition participant at the varsity level.*

CLARIFICATION OF SHARED SERVICES RULE

☐ Action Item
☒ Discussion Item

Presenter:

Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consideration of approval to clarify language in the NYSPHSAA Handbook related to Shared Services.

NYSPHSAA Handbook:

"NOTE: A student in shared services, part-time or full-time program, taking the equivalent of four subjects including Physical Education, is considered as being registered in the home school. A shared services student is only eligible at one school per school year (home district or shared service school) regardless of the interscholastic athletic programs offered. Exceptions for special cases must be approved by League and Section."

Effective Start Date:

Fall 2020

Rationale:

NYSPHSAA staff is often asked if a student receiving shared services is able to participate in interscholastic athletics at their shared service school during one season (i.e. Fall volleyball) and also participate at their home district in another season (i.e. Spring track & field). Approval of this clarification would provide consistency in interpretation and enforcement.

Proposal Originated:

NYSPHSAA staff.

Budgetary Impact:

None.

NYSPHSAA Handbook Committee supports this proposal.

CLARIFICATION OF TRANSFER RULE

☐ Action Item
☒ Discussion Item

Presenter:

Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consideration of approval to clarify the NYSPHSAA Transfer Rule:

NYSPHSAA Transfer Rule:

"b. A student who transfers without a corresponding change in residence of his/her parents (or other persons with whom the student has resided for at least six months prior) is ineligible to participate at the varsity level in any interscholastic athletic contest in a particular sport for a period of one (1) year if as a 9-12 student participated in that sport during the one (1) year period immediately preceding his/her transfer. A student's period of ineligibility begins with the date of registration at the student's new school. (July 2019). At no time during the one-year period of ineligibility at the varsity level should a student participate in a scrimmage or be an exhibition participant at the varsity level."

Effective Start Date:

Fall 2020

Rationale:

In an effort to ensure consistency and uniformity in interpretation, the addition of the above language will help to clarify "when" a student's period of ineligibility begins.

Proposal Originated:

NYSPHSAA staff.

MODIFIED BOYS LACROSSE – 4 MINUTE SUDDEN VICTORY OVERTIME

☒ Action Item
☐ Discussion Item

Presenter:

Jim Rose, NYSPHSAA Modified Co-Chairperson

Proposal:

Consider approval to change the current regulation #2 under Boys Lacrosse regarding overtime to "In the event of a tie, there shall be one 4-minute sudden victory overtime period."

Effective Start Date:

Spring 2020

Rationale:

Current rule states two 2-minute periods with no sudden victory. This would be in line with the current NFHS rules for the sport of Boys Lacrosse.

Proposal Originated:

NYSPHSAA Modified Committee

Budgetary Impact:

None

Notes:

This recommendation was supposed to be included in the Spring with the other Modified recommendations but due to an oversight it was not included in the May Executive Committee packet.

EX-OFFICIO MEMBER BOCES DISTRICT SUPERINTENDENT

☐ Action Item
☒ Discussion Item

Presenter:

Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consideration of approval for BOCES District Superintendents to be included as an Ex-Officio member of the NYSPHSAA.

NYSPHSAA Constitution:

*"6. The Honorary Past Presidents, Past Presidents, Executive Director, other Executive staff, Executive Director of the Pupil Benefits Plan, Inc., State Education Department Liaison, affiliate association representatives, **BOCES District Superintendents** and a representative of NYS School Board Association as ex-officio members may participate in the meetings of the association, the Central Committee, the Executive Committee, without the right to vote."*

** Shaded language above would be added to NYSPHSAA Constitution*

Effective Start Date:

Fall 2020

Rationale:

Prior to Commissioner Elia leaving the New York State Education Department, she requested the NYSPHSAA consider the addition of the District Superintendents as an Ex-Officio member.

Proposal Originated:

Discussion with NYSED Commissioner.

Budgetary Impact:

None.

Notes:

Since the declaration of Ex-Officio members is included in the NYSPHSAA Constitution, the membership of NYSPHSAA would be required to approve the revision via a referenda vote; 2/3 majority vote would be needed for approval.

MVP RECOGNITION, ALL-STATE, ALL-TOURNAMENT AWARDS

☐ Action Item
☒ Discussion Item

Presenter:

Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consideration of approval to only present NYSPHSAA awards during NYSPHSAA State Championship awards ceremonies.

Effective Start Date:

Fall 2020

Rationale:

Overtime non-NYSPHSAA awards (MVP recognition, All-State and All-Tournament selection, sportsmanship, etc.) have become part of the NYSPHSAA State Championship awards ceremonies but are not supported nor endorsed by NYSPHSAA. These awards are presented by various organizations and groups (i.e. coaches association, officials association, etc.). Non-NYSPHSAA awards create lack of consistency and equity issues amongst all championships, while also delaying the presentation of the NYSPHSAA state championship medals, champion shirts and plaques.

Proposal Originated:

Championship Advisory Committee.

Budgetary Impact:

None.

Notes:

NYSPHSAA Sport Coordinators manual states:

"Approval by the Championship Advisory Committee is required for the presentation of awards exclusive of NYSPHSAA awards (ex.: All-Star, MVP, Most Outstanding, etc.). These types of awards must be financed locally and are not the responsibility of the NYSPHSAA, Inc. EXCEPTION: Sportsmanship Awards by State Officials Associations require only the approval of the State Sport Committee."

JUNE NCAA SCHOLASTIC EVENTS

☒ Action Item
☐ Discussion Item

Presenter:

Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consideration of approval to endorse a June NCAA Scholastic event for boys basketball.

Effective Start Date:

June 2020

Rationale:

The Rice Commission recommended enhancing recruiting in a scholastic environment and therefore new NCAA legislation established two June Scholastic Evaluation weekends.

Over a year ago the NCAA implemented several changes related to recruiting opportunities for high school student-athletes who have the potential to play Men's college basketball at the Division I level. In order for Division I men's coaches to be able to attend any recruiting events during two weekends at the end of June, the events must follow NCAA criteria and be approved by the National Federation of State High School Associations (NFHS).

Additionally, college coaches are able to attend events during the last two weekends of June if organized by groups affiliated with high schools or high school coaching associations; and occur at middle schools, high schools or colleges and are endorsed by the State High School Athletic Association.

Proposal Originated:

NFHS & NCAA

Budgetary Impact:

None.

Notes:

NYSPHSAA would endorse the June Scholastic event, while the Basketball Coaches Association of New York would run and coordinate the event.

Attachments:

2019 June Scholastic Event flyer

NCAA Division I Men's Basketball June Scholastic Events for High School Participants

WHAT

Scholastic events in June must be:

- Approved by the National Federation of State High School Associations; and
- Organized and conducted exclusively by the applicable state high school athletics association and/or state high school basketball coaches association, or if there is no state high school basketball coaches association, the state high school coaches association.

WHERE

Per NCAA legislation, June scholastic events must occur at an educational institution (e.g., middle school, high school, college) other than an NCAA Division I institution.

WHEN

June 21-23, 2019

(Friday 6 p.m. - Sunday 4 p.m.)*

June 28-30, 2019

(Friday 6 p.m. - Sunday 4 p.m.)*

Events are scheduled when NCAA Division I men's basketball coaches are permitted to observe recruits participating in athletic activities.

**Event may extend beyond time frame listed. Division I men's basketball coaches may attend only during noted time frame.*

WHY

- Develops and strengthens relationships between college coaches and high school basketball programs;
- Emphasizes academics and positive recruiting interactions;
- Minimizes the leverage on harmful outside influences; and
- Develops a stronger pathway from member education-based high schools to college participation.

WHO MAY ATTEND?

NCAA legislation permits the following to attend the events:

- Divisions I, II and III men's basketball coaches; and
- The general public.

PARTICIPANTS

Eligible student-athletes from NFHS member state association high schools.

NCAA is a trademark of the National Collegiate Athletic Association.

EVENT APPROVAL PROCESS

The NFHS will implement and manage all aspects of the event approval process. All questions regarding event details or hosting an event should be directed to the NFHS or state high school associations.

EVENT FORMAT

An event may be operated as a:

- Showcase;
- Team camp;
- Jamboree;
- Metro area event; or
- Multistate/regional event or a hybrid of these models.

For more information on the recommended event format options featured by the National High School Basketball Coaches Association, see <https://www.actionnhsbca.org>.

HOW TO HOST AN EVENT

- NFHS member state associations must submit a 2019 event application [here](#);
- Application will be available online March 1;
- Application must be completed by April 1; and
- List of approved scholastic summer events will be posted on the NFHS website by May 1.

FOOTBALL – REVISE THE NUMBER OF GAMES LEADING UP TO PARTICIPATION IN THE NYSPHSAA STATE FOOTBALL CHAMPIONSHIPS

 Action Item
 X Discussion Item

Presenter:

Gary Vanderzee, NYSPHSAA Football State Coordinator

Proposal:

Consider approval to amend NYSPHSAA Football Rule 10.08.01 with the following revisions:

10.08 NYSPHSAA Football Rules:

1. With Section approval a contestant (or team) may participate in no more than ten (10) interschool football contests, ~~inclusive of~~ **excluding** sectional championships. For those sections involved in the state championship three additional games are permitted for a total of ~~thirteen~~ fourteen (~~13~~ 14) games for the season: one (1) game for regionals, one (1) game for semifinals, and one (1) game for championships.

Effective Start Date:

Fall 2020

Rationale:

1. This will create more playing opportunities across the state for our student-athletes with minimal change.
2. In conjunction with the later starting date, it will allow schools to complete their regular season before weather becomes an issue.
3. It will allow schools/sections to schedule an (8) game regular season (instead of 7) and still conduct 3 rounds of playoffs. This helps address the concern from some that schedules are playoff driven with little concern for non-playoff teams.
4. Gives schedulers/schools more flexibility in scheduling traditional rivalries.
5. This could give programs more flexibility in scheduling alternative games to satisfy competitive balance (safety).
6. Minimal expansion/impact on the total number of games played.

Proposal Originated:

NYSPHSAA Football Committee on December 12, 2019. The committee was unanimously in favor of the proposal.

Budgetary Impact:

None.

Notes:

Currently, Section 8 and Section 11 are playing their Sectional Championship as game 11.

☐ Action Item
☒ Discussion Item

Presenter:

Mike O'Connell, NYSPHSAA Boys Bowling State Coordinator
Eileen Shultis, NYSPHSAA Girls Bowling State Coordinator

Proposal:

The NYSPHSAA Bowling Committee is seeking approval to amend Bowling Rule #9 in the NYSPHSAA Handbook to read as follows:

9. The oil pattern will be prepared for the practice round (if held), with the understanding that pattern will be set as consistent as possible throughout the tournament. Additional pertinent lane information will be included in the pre-tournament announcement. (Aug. 2009)

Effective Start Date:

2020-21 season

Rationale:

The official practice session for the state championship was discontinued in 2019. However, language should be modified if it is to be reinstated at a future date.

B/G BOWLING– RULE 5.08. #4 REMOVE LIMITATION ON BAKER TOURNAMENTS

☐ Action Item
☒ Discussion Item

Presenter:

Mike O'Connell, NYSPHSAA Boys Bowling State Coordinator
Eileen Shultis, NYSPHSAA Girls Bowling State Coordinator

Proposal:

The NYSPHSAA Bowling Committee is seeking approval to amend Bowling Rule 5.08, #4 in the NYSPHSAA Handbook to read as follows:

4. The Baker format is permitted and subject to the following equivalence: 5 baker team games = 1 standard team game. A combination tournament, where both standard team games and baker team games are used, is permitted provided that the total number of games does not exceed the maximum allowed number of standard equivalent games.

Effective Start Date:

2020-21 season

Rationale:

The existing rule of limiting the Baker format to two (2) times per season is arbitrary. The existing limitation of eight (8) Baker games in a combination tournament is arbitrary.

The proposal was presented by Section 3 and discussed by the State Committee on October 18, 2019. The committee voted 16-0 in favor of this proposal.

Rationale:
