## 2007-08 PRE-SEASON - SECTION 9 TEAM RANKINGS

Minisink Valley enters the season as the Defending Section 9 Champions. With some losses to graduation, they return 9-Section 9 qualifiers. Will they be able to repeat? A formula is applied to each team at the end of each season to determine their tournament strength for the upcoming year. Each team receives 2 points for each returning wrestler who competed in Sectionals last year (no graduates are included). To arrive at a grand total, each team receives the total number of points each returning wrestler earned at last year's Section 9 Tournament. Based on the formula, in D1, Monroe should beat out Valley Central for the title: while Defending Champs Minisink are ranked #4. Port Jervis and Warwick return the most with 13 sectional qualifiers. In D2, look for Red Hook to edge out Ellenville. But don't be misled by the following rankings as they have nothing to do with a team's dual meet strength. If a team had a Section Champ returning and forfeited the other 14 weight classes: under this system, they would earn approximately 26 points for just that one wrestler. One wrestler could rank a very weak dual meet team high using tournament scoring.

## DEFINITIONS: SCHEDULING POINTS DEFINED

Dual meets are 1 point — Tournaments are 2 points (maximum of 6 permitted)  
(Section 9 Duals and Section 9 Tournament do not count towards your points)

**MULTIPLE DUAL MEET EVENTS:** Each team competing in these events is charged 1 point for each dual meet. Each dual meet counts toward each respective team's maximum allowable dual meets for the season.

### Two Duals the Same Day:

A team may wrestle a double dual at one school, but cannot wrestle one dual at one school and then travel to a different school for a second dual on the same day.

**TRIANGULAR MEET:** Three teams compete, with each team wrestling a dual meet against each of the other two teams. Each team is charged 2 points toward their dual meet schedule.

**DOUBLE-DUAL MEET:** Three (or more) teams compete, with each team wrestling a dual meet against two of the other teams. Each team is charged 2 points toward their dual meet schedule.

**DOUBLE-DOUBLE DUAL MEET:** Two double dual meets occur in one day. This format is only to be used to make up cancelled dual meets, and may be scheduled at the discretion of the school districts involved. Each team is charged 4 points toward their dual meet schedule.

**QUADRANGULAR MEET:** Four teams compete, with each team wrestling a dual meet against each of the other three teams. Each team is charged 3 points toward their dual meet schedule.

### DUAL MEET TOURNAMENTS:

Each wrestler competing in these events will be charged 2 points toward their 22-point limitation and one tournament of the six maximum allowed.

**Weigh-ins will be treated the same as a regular tournament.** The weigh-in on day one counts. If you miss weight on Day 2, you may not move up, you are out of the tournament. Wrestlers can't weigh in at a different weight on the second day. The first day weigh in counts for the 50% rule. If a wrestler misses the Day 1 weigh-in they may not enter the tournament on Day 2. If they were missing a skin form on Day 1 they may enter on Day 2 if the form is now completed (assuming they weighed in on Day 1).

### Dual Meet Tournaments will be conducted as follows:

**BRACKETED TOURNAMENT:** Teams are placed on a bracket, with the winning teams advancing to a championship. Losing teams may compete in a consolation bracket to determine team placement.

**POOL TOURNAMENT:** Teams are placed in pools. Teams compete in dual meet competition against every team in their pool, to determine the rank of teams in each pool. Teams from each pool wrestle against the same-ranked team(s) from the other pool(s) to determine team placement.

**ROUND ROBIN TOURNAMENT:** Each team wrestles a dual meet against every other team in the tournament. Team placements may be determined by win/loss record, or by total points accumulated in all meets.

### APPROVED FORMAT (10/03): (2 points per individual)

16 teams are divided into four pools of four. Each team wrestles a dual meet against every other team in the pool (no team score is kept). Each wrestler gets 3 bouts and is seeded 1-4 within their pool based on results of the three dual meets. At each weight class:  
Semifinal: 1<sup>st</sup> seed Pool A vs 1<sup>st</sup> seed Pool B determines the A/B winner.  
1<sup>st</sup> seed Pool C vs 1<sup>st</sup> seed Pool D determines the C/D winner  
Consolation Semi: 2<sup>nd</sup> seeds Pool A vs Pool B and 2<sup>nd</sup> seeds Pool C vs Pool D  
Placement Round: First place: A/B winner vs C/D winner  
3rd place: A/B loser vs C/D loser 5th place: A/B 2<sup>nd</sup> seed winner vs C/D 2<sup>nd</sup> seed winner

No individual may have more than 6 tournaments.

An Individual wrestler may flip back and forth between Varsity and JV as many times as they want to. (A tracking form for individuals is being developed to be used state-wide)

### Reminders:

- Exhibition matches count towards a wrestler's 22 point total.
- A wrestler cannot wrestle two times in one day against the same school.
- A wrestler cannot accept a forfeit and then wrestle exhibition later that day.
- "For any violation of eligibility or sports standards (3 above items) a school or a school authority may be censured, placed on probation, or suspended by the Section Athletic Council.
- 22 point scheduling for individuals not teams is in effect for 2007-08 **Penalty for violation: NYS handbook-Page 68: item 2c: Individual Sports "If an individual or team exceeds the maximum number of contests permitted, the penalty is team ineligibility from the date of violation for the rest of the season."**

Your team has been assigned between 7 and 10 dual meets by your league office. Accumulating the remaining points is your responsibility.

### Step 1: HYDRATION:

Passing the hydration test is the first step in the Regional Assessment. Wrestlers who are not hydrated may not step on the scale. **Their test is halted if they are not hydrated. They must wait at least 24 hours and return to be re-tested on one of the other assessment dates.**

### HOW IS HYDRATION TESTED?

In prior years, your assessor used a strip that changed color when the urine was tested. The assessor could use their "opinion" to determine the color of the strip and let the wrestler continue the certification process if they decided the color was acceptable. This year, the assessor's opinion has no bearing whatsoever. A machine called a digital refractometer will be used. The urine is placed on the machine, the machine displays a number, if the number is within a certain range, the wrestler is not hydrated and cannot continue. Your assessors cannot give your wrestler the "benefit of the doubt" this year. It is clear cut if they can continue.

### TIPS ON BEING HYDRATED:

At trial tests last year around the state: Some schools that showed up with 35 kids: had 33 out of 35 wrestlers hydrated, while others had only 2 out of 35. The difference was directly related to the education the wrestlers on each team received. Coaches must tell their wrestlers how to be hydrated. When a wrestler is hydrated, their urine is basically almost clear. If it is a dark brown or deep yellow, they will not pass the test.

- The urine being tested should not be the first or second urine the wrestler has produced that day.
- Caffeine makes you dehydrated. Do not consume: soda, coffee, tea, chocolate, "Red Bull" or any other sources of caffeine at least 48 hours prior to being tested.
- You may want to stop vitamin intake 48 hours prior to your test.
- Wrestlers in the upper weights tend to be dehydrated. The "fat" kids are not looking to cut from 230 to 160 lbs. Many of them are looking to stay right at 215, but even if they don't want to be certified at the lower weights, they will still be rejected from the test if they are not hydrated.
- Wrestlers should drink lots of water the day of the test. This is obviously a "Catch 22". They want to weigh as little as possible, but they must be hydrated. They will not necessarily hydrate by chugging a half gallon (4 pounds worth) of water prior to being tested. They would be better off drinking small cups (8 oz-half pound) cups of water, every hour or so throughout the day they are being tested and urinate as necessary. Each time they urinate the urine should become lighter (which is more hydrated).

**CHEATERS:** Wrestlers who are desperate to get to a certified weight class, who know they can't do it while being hydrated, may attempt to cheat. They could add water to their urine sample, they could smuggle a vile of clear urine into the testing area. The test will require them to individually go into a stall, wearing only their underwear, carrying a cup. Their urine will be tested immediately as they exit the stall. Please emphasize that if they are caught cheating: **they are prohibited from wrestling for the entire year.** One wrestler in the state has already been caught and has been deemed ineligible by the NYSPHSAA. Signs will be posted at each site indicating the penalty.

### Step 2: WEIGH-IN:

Once wrestlers have passed the hydration test they step on the scale. Section 9 now owns their own digital scale. Every wrestler in the section will be stepping on the same scale. Wrestlers must weigh in wearing underwear. They may not "strip down".

### Step 3: CALIPERS:

Once wrestlers have passed the hydration test and weighed in, they will be marked by the assessor and pinched in three places as they have done in prior years. Results of the pinches will be tabulated and entered into the computer. Each coach will take home a printout listing all wrestlers and their approved certified weight classes when they leave the assessment site.

## WEIGHT CERTIFICATIONS (continued)

### Prior to going to your Regional Assessment site:

1. Fax a completed **TEAM ROSTER SHEET- IN ALPHABETICAL ORDER ONLY** to the Sectional Chairman at 561-7792. Use one line for each wrestler. This form must be received at least **24 hours prior to your arrival**. The sooner the better! It is easier to add or delete a few wrestlers on Assessment day than to have to enter an entire team roster from scratch while other teams are waiting on line for you.
2. **Photocopy** as many copies as necessary of the **INDIVIDUAL PROFILE FORM (IPF)** and complete as much of it as possible before arriving at your assessment site.. A separate form is needed for each individual on your team. The assessor will: complete the remainder of the form, sign each form, and enter the data on-line into the NYS database. Once your assessor has sent you a completed form for each of your wrestlers you will need to: make **1 additional set of the completed forms**. You keep the original and the copy goes to your athletic director.

### The day of your Regional Assessment:

(Mats will be available at your site to workout before or after your assessment time.)

- Arrive at your site at least one half hour prior to your assigned time.
- Coaches will turn in any additions or deletions to their rosters (previously sent in). They will report to the assessment area with one completed Individual Profile Form for each wrestler getting certified.
- Wrestlers will all be weighed (wearing shorts) on the same certified scale (owned by S9).
- You will be asked to assist with data entry on the form as your team is being certified.
- You must schedule make-ups for all wrestlers who did not pass the hydration test at one of the remaining available sites.

### POINTS OF CLARIFICATION:

- Certifying weights establishes the minimum weight class for your wrestler. At no time during the year can they wrestle below that weight class.
- In 2006-07 there is a **50% Rule in NY State**. You do not have to wrestle 50% of your matches at your minimum weight. (see specifics on page 10)
- You weigh in the day of your match and may move up only one weight class from the weight class you made that day.

**Reminder: Both the 96 and 285 lb weight classes are mandatory for dual meets in both the OCL& MHAL leagues.**

- You do not have to send copies of your weight certification sheets to your opponents. The Section Chairman will send each team a master set prior to the start of the Section 9 Dual Meet Tournament.

**-Aside from the addition of the 50% rule, and the elimination of the Friday night weigh-in for 2-day tournaments, we are following the same weigh-in procedures as we always have. NYS is exempt from other weigh-in procedures listed in the Federation Rule Book.**

### HONOR WEIGH-IN's:

Weigh-in's are to be done on a certified scale: OC Bureau of Weights & Measures: **845-291-2400**

- Beginning with the 2004-05 season, the honor weigh-in must take place before the school's first period class, or the additional 3 lb lunch allowance will not be allowed. No Honor-Weigh In's are allowed if the schools competing are **not** in session on the day of the contest. If **either** of the schools involved are in session you may do the Honor Weigh-In.

**-All schools must now use the standardized NYS Honor Weigh-in forms.**

**(A separate Honor Weigh-In form exists for dual meets & for tournaments.)**

- Remember: The weight you enter on the morning honor weigh-in form is the official weight for the day. If a wrestler fails to make weight in the morning, but his weight is written down: he may not lose weight during the day and make it when the other team arrives. **If he doesn't make weight in the morning...don't write any weight down ... WAIT ... and record it when the other team arrives.**

## **THE 50% RULE FOR NYS WEIGH-IN's 2007-08**

All wrestlers in NYS must have weighed in at their certified weight class a minimum of 50% of the time for the 2007-08 season. They NYS Safety Committee did not agree to return to the 33% rule.

All wrestling teams in NYS are under the 22 point rule (see page 6). **Most** teams will compete in 10 duals and 6 tournaments. A wrestler with a full schedule will most likely weigh-in for 16 events: (10 Duals and 6 tournaments) but teams that opt for 18 duals and 2 T's could actually have 20 weigh-ins. A double weigh-in for a 2-day tournament only counts as one weigh-in as it is only one event.

To be eligible for post-season competition all wrestlers must have six contests on six different dates (or a waiver must be applied for). Therefore all wrestlers in NYS entering post-season will weigh-in: **a minimum of 6 times and a maximum of 20 times.**

Based on the actual number of weigh-ins for each individual wrestler the chart below is used to determine how many weigh-ins are needed at a certain weight class to be able to compete at that weight in the post-season. The 50% rule requires you to round up to the next whole number for any fraction over.

New Standardized Honor Weigh-in forms must be kept on file to verify the correct number of weigh-in's.

Coaches should also bring the new weigh-in form for tournaments to all tournaments they compete in.

If an injury occurs prior to the wrestler getting their required number of weigh-ins: they may not wrestle at the lower weight as they have not weighed in the proper number of times.

## WEIGHT ALLOWANCES:

### ADDITIONAL POUNDS:

- The **Growth Allowance is still in effect.** Each weight class will go up 2 lbs on 12/25, but the weight class you certify at does not include these two pounds. To wrestle at 98 pounds in sectionals you must certify at 96, not 98.
- Each wrestler must make scratch weight for every contest prior to: **12/25**.
- A 1 lb allowance is granted when schools have back to back competitions. 48 hours notice is required to get the extra pound.

### Weight allowances:

After December 25th all weight classes go up 2 lbs.  
The 96 lbs weight class becomes 98 lbs.

- If a team has consecutive days of competition the first day scratch weight is required, 98 lbs.
- The second day a 1 lb allowance is given, 99 lbs.
- If there were a third day of competition the weigh class would remain 99 lbs. The maximum allowance for consecutive dual meets or the first day of a tournament following a dual meet is 1 lb.
- They are also given an additional 1 lb. each day over the weight limit of the previous day in tournament competition.  
Example: Dual meet Tuesday 98 lbs.  
Dual meet Wednesday 99lbs.  
Dual meet Thursday 99 lbs.  
Tournament Friday 99 lbs..  
Second day of tournament Saturday 100 lbs.

**Under no circumstances may coaches agree to grant an extra pound(s) with the following two exceptions.**

### Dual meet:

A team is scheduled for back to back duals on two consecutive days. Team A informs Team B that within 48 hours that they have a match the day before, so both teams get an extra pound. Team A's match the day before the match with Team B is then cancelled (bad weather etc). The extra pound stands for the next day, even though Team A did not wrestle back to back. If a dual is cancelled on Day One (bad weather etc.) and is then rescheduled for Day Two (the next consecutive day), no additional pound is allowed.

### Tournament:

A tournament director grants all the teams in the tournament an extra pound because one of the teams entered is wrestling a dual the day before the tournament. The dual the day before the tournament is cancelled (bad weather, etc). All teams in the tournament still get the extra pound. **Should a Sectional Chairman become aware of two teams allowing an extra weight allowance for any other reason, the teams and all the wrestlers become ineligible. The teams will both forfeit the dual and each individual wrestler will receive a loss on their individual records. If this was a tournament, all wrestlers from all teams become ineligible and all receive a loss on their records.**

### Ineligible weight class:

After a dual is wrestled, it is found out that a team uses a wrestler at a weight lower than his certified weight (or at a weight above the State minimum weight: Ex 80 pounder wrestles at 96 and does not meet the 88 pound minimum), the team forfeits the dual meet and the wrestler takes a loss on his record. The won/loss record of the other wrestlers who wrestled in the dual meet are not effected and the results of their individual bouts stand.

**COLLEGE SCHOLARSHIPS**

Just as the Orange County League and Mid Hudson League have their own sets of rules and bylaws, so do most colleges. The NCAA league, the NAIA league, and the NJCAA league all have different rules, regulations, and eligibility requirements. More information on specific rules and regulations, not outlined below, can be obtained from each leagues website: [www.ncaa.org](http://www.ncaa.org), [www.naia.org](http://www.naia.org), or [www.njcaa.org](http://www.njcaa.org).

**The NCAA:** -Made up of 972 member colleges split into three Divisions.

(Wrestling Schools: 85-Division 1, 38-Division 2, and 99-Division 3 Schools)

Wrestling scholarships are awarded in Division 1 & 2 and the wrestler must meet the following academic requirements to be able to compete:

- The SAT or ACT test must be taken by the spring of their junior year
- The NCAA Clearinghouse Form must be completed after their junior year.

**Division 1** athletes must:

-Maintain a H.S. Grade Point Average (GPA) of 2.0 or better = 70 or "C" average in their 13 core courses and must meet a minimum SAT or ACT score based on a sliding scale.

-The higher the GPA, the lower the ACT or SAT score that is required.  
(The ACT score is the sum of the four scores achieved on the test).

**Division 2** athletes must:

-Maintain a H.S. Grade Point Average (GPA) of 2.0 or better = 70 or "C" average in their 13 core courses and must meet a minimum SAT or ACT score based on a sliding scale.

-Minimum Scores needed: ACT = 68 or SAT = 820

(The ACT score is the sum of the four scores achieved on the test).

The higher the GPA, the lower the ACT or SAT score that is required.

Example: If the GPA = 2.0 then ACT minimum = 86 or SAT minimum = 1010

But if the GPA > 2.5, then ACT minimum = 68 or SAT minimum = 820

**Division 3** schools are prohibited from granting scholarships so they do not impose any academic requirements.

**The NAIA:**

-made up of 23 wrestling schools.

-full or partial scholarships are awarded

**Academic Requirements: (Must meet 2 of 3)**

-Grade Point Average (GPA) of 2.0 or better

-ACT minimum score = 18 or SAT minimum score = 860

-Must graduate in top 50% of their class

**The NJCAA:**

-made up of 45 wrestling schools, split into Divisions 1, 2, and 3 just like the NCAA.

-Division 1 & Division 2 junior colleges can offer scholarships

-Division 3 Junior colleges may not offer scholarships.

-There are no academic eligibility requirements to enter junior colleges.

## SECTION 9 WRESTLING TOURNAMENT (INDIVIDUAL - STATE QUALIFIER)

### SITE SELECTION:

#### A. THIS YEARS SITE AND FUTURE YEAR SITES:

The **2007-08** Division Two Section 9 Tournament will be hosted by Highland High School (Saturday, **February 16**, on 2 mats) with no wrestlebacks. The Division One Tournament will be held on two days at Monroe Woodbury High School (Monday, **February 18**, and Saturday, **February 23**, on 3 mats) with wrestle-backs to 6 places. NY State will continue the 2-Class system indefinitely. We hope to continue to use the Monroe site for the large schools in the future. Schools interested in hosting in **2008-09** must have the ability to hold 3 mats (D1) but only 2 mats (D2) with adequate space for score tables and spectators. Schools interested in hosting must send a letter of intent to the Section 9 Chairman as described below.

#### B. LETTER OF INTENT:

To be selected to host a Class Tournament any year in the future, a letter of intent must be sent to the Section 9 Chairman. This letter should give a brief description of your facility and formally express your interest in hosting the tournament for a stated year. This letter shall include signatures by the Chief School Officer, Athletic Director, and High School Principal. Your letter of intent will be evaluated by the Section 9 Committee (Section 9 Chairman, OCL Chairman, and MHAL Chairman). Based on number of requests received, a schedule of hosts by class will be developed for the next 4 seasons. The Section 9 Chairman will forward the names of the schools selected to host next season's sites to the Section 9 Secretary for notification.

Letters of intent for next season should be received by:  
**MAY 1, 2008**

### CURRENT YEAR SECTION 9 TOURNAMENT- SPECIFICS:

#### A. # OF QUALIFIERS:

Both Divisions One (Large) and Two (Small) will be open tournaments. Based on the number of schools participating in wrestling in our section, a maximum of **17** wrestlers per weight will compete in Division One in a two day tournament with wrestlebacks (from quarterfinals) to 6 places. A maximum of **10** wrestlers per weight will compete in Division Two in a one day tournament that will wrestle the semifinal losers for 3<sup>rd</sup>/4<sup>th</sup> place.

## CURRENT YEAR SECTION 9 TOURNAMENT - SPECIFICS CONTINUED:

### B. ELIGIBILITY RULE FOR PARTICIPATION IN SECTIONALS:

By NYSPHSAA Handbook 2004-2006 p.69:

"Contestants in individual sports (wrestling) must have represented their school in **six (6)** scheduled contests during the season to be eligible. These required contests must occur on six different dates and must be concluded prior to the conclusion of the teams regular schedule."

For the sport of wrestling: "**REPRESENTED**" is defined as: actually wrestling on the day of an event.

The official weigh-in sheet that will be kept at the head table for each dual meet and tournament will list the wrestlers who were eligible to wrestle for that event.

To be eligible and appear on the weigh-in sheet, you must meet the following three conditions:

1. **have made weight**
2. **be academically eligible**
3. **be physically eligible** (cleared of any injuries or skin rashes)

It is the responsibility of the coach, and not the official, to list the eligible wrestlers. Just because you are eligible does not mean you can count the event as one of your 6 contests. You must have actually wrestled or received a forfeit.

Beginning with the 2001-02 season:

The following clause appears on the Honor Weigh-In Forms :

"All wrestlers listed above are eligible to wrestle in this dual meet. They have made weight, are academically eligible, and are physically eligible (and have been cleared of any injuries or skin rashes)."

To compete in post-season tournaments, a wrestler must have appeared on **6** or more contests. The rule is school specific. All six weigh-ins must be for the same school.

Just because a wrestler has **6** matches on their record for seeding that does not mean they are eligible for post season. Wrestling **3** matches at a tournament will only count as **1** contest. It is the responsibility of each coach to document that a wrestler has wrestled in **6** different contests.

A coach may request a waiver for an athlete who does not meet the maximum number of contests due to injury. The request must be made to: **Bob Thabet: Section 9 Executive Director** (in writing) prior to the post season tournaments.

**CURRENT YEAR SECTION 9 TOURNAMENT -  
SPECIFICS CONTINUED:**

- C. **DEVELOPMENT OF BRACKETS BY WEIGHT CLASS:**

Teams will weigh-in in a predetermined order (drawn at the November coaches meeting).

2. An **appeals committee** consisting of a referee, Coach of Host school, and Section 9 Chairman shall be present to hear and resolve potential problems. If an appeal committee member is associated with a school who initiates such appeal, then the Section 9 Chairman shall appoint a neutral party to represent the vacancy created.
3. **No substitution** of a wrestler is permitted once initial weigh-ins are concluded and the tournament has been bracketed. **Winners will advance to the NYS tournament.**
4. **Winners by Forfeit** (as defined within the tournament) will receive appropriate team points as listed in the rule book.
5. **"At Large" wildcards** will be announced for qualifying 2<sup>nd</sup> or 3<sup>rd</sup> place finishers by: Wednesday following the tournament.

**Section 9 Tournament Seeding Meeting 2008**

Two separate seeding meeting will be held for both Divisions

**MEETING LOCATION:** Newburgh Free Academy – Room 126

**DIVISION 2**      **TIME:** 10:00 am  
**MEETING DATE:** Sunday, February 10

**DIVISION 1**      **TIME:** 11:30 am  
**MEETING DATE:** Sunday, February 10

**MANDATORY ATTENDANCE REQUIRED OF ALL COACHES**

This will be the preliminary seeding meeting. **Wrestlers will be allowed to move up or down weight classes on the day of the tournament.** As a courtesy to coaches and wrestlers, you may seed a wrestler at more than one weight class at this meeting. Before you leave the meeting, make a preliminary decision as to what weight your wrestler will be competing at. **The final seeding meeting and final decisions will follow weigh-ins at the actual tournament.** Remember, your wrestler must have **50%** of their matches (documented with weigh-in sheets) at the weight being seeded at. Please encourage your wrestlers to compete at the weight they are seeded at. Time constraints prohibit us from meeting and making numerous changes for an hour or more prior to the start of the actual tournament.

**Each coach will be responsible for adhering to the following meeting rules:**

1. Fax your tentative lineup with W-L records (**on the form provided**) to the Section 9 Chairman prior to **Sat. 2/9 for-D2** and **Sat. 2/9 for-D1.**
2. Prepare a single sheet of paper for each WRESTLER that you plan on entering in the tournament. This sheet must list **ALL** matches wrestled by the wrestler and show all weight classes competed at, wins, losses, opponents, and schools. It should list any tournament places and **show their overall record and total competition points earned.** (Wins earning competition points should be highlighted)
3. Prepare a packet for your school. The packet will consist of the sheets of paper you just prepared for each wrestler you are attempting to seed, listed in weight class order. If you have a full team, then your packet will consist of 15 pages. Please photocopy the packet in order from 96-285 pounds.
4. Make photocopies of your packet so that you have enough copies/packets for other coaches in your Division. (**D1=8 copies, D2=3 copies**).
5. **Bring all of your weigh-in sheets** (duals and tournaments).  
**Note:** JV and Assistant coaches may attend the meeting, but may not participate in the actual seeding. JV coaches may communicate their opinions through the Varsity coaches, but the Chairman of the meeting will not recognize them. Thank you for your time.

**Please come prepared and on time to the meeting.**

**Pizza and soda will be provided by the Friends of Section 9 Wrestling.**

**Wrestlers who do not show up at the weight they were seeded at will be allowed to participate and brackets will be adjusted.**

## SECTION 9 TOURNAMENT: RULES FOR SEED MOVEMENTS

At the conclusion of weigh-ins, In the event that one or more wrestlers in a weight class need to be changed, the following guidelines will be used in moving wrestlers within the bracket.

**No weight class should have a situation where a wrestler advances from the quarters to the semifinals due to a BYE, (unless there are less than 8 total wrestlers in the bracket).**

### NAME SUBSTITUTION:

A different name of a wrestler from the same school may be substituted on the same line of the bracket that the school originally held. The seeds do not have to be adjusted unless the name of the new wrestler has criteria to be seeded within the **Top 8** seeds.

If a wrestler now enters a weight class with criteria to be seeded in the **Top 8**, he will be seeded in the appropriate spot and **All** wrestlers in the bracket shift to the newly seeded positions. Lines without wrestlers become **BYES**.

### WRESTLER SCRATCHES WITH NO SUBSTITUTION:

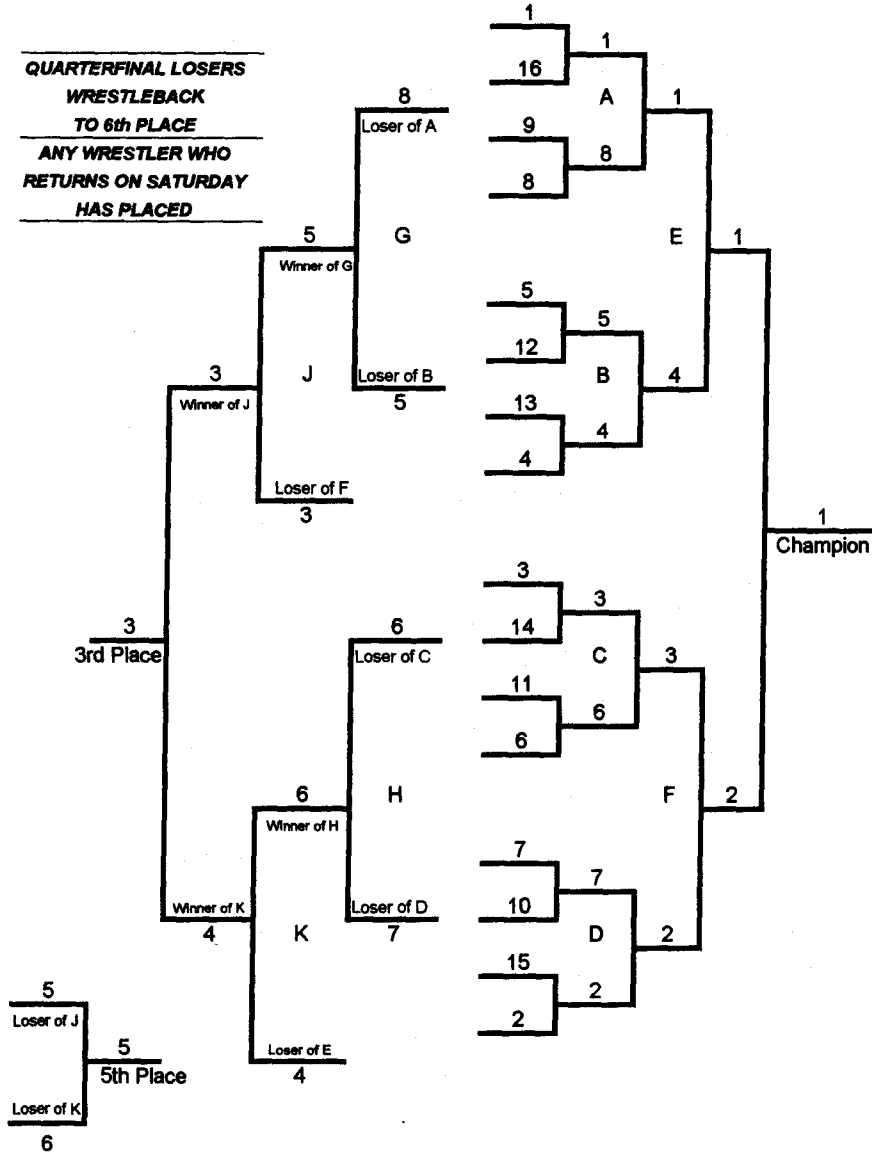

If a wrestler not seeded in the **Top 8** scratches, and the school does not have a replacement wrestler to fill the spot, the bout will be considered a **FORFEIT** and team points will be awarded.
