- 1) If a pitch is thrown on a balk call, the pitch will NOT count for the purposes of this rule
- 2) A pitcher at any level who reaches the pitch count limit in the middle of an at-bat will be allowed to finish that hitter.
- 3) Schools will have the responsibility to maintain all pitching charts. They will also be required to make any game chart available to any school prior to any game to show availability of pitchers for that given day.
- 4) During games each team will record pitch counts on the official NYSPHSAA pitch count form. This should not include warm-ups or pick off attempts. After each half inning, the pitch counts will be confirmed by both teams. Any discrepancy will be resolved based on the records of the home team pitch count chart.
- 5) At game's conclusion, the NYSPHSAA pitch count form will be signed by both head coaches or designated representative.
- 6) Any violation of this rule will be considered in the same light as a school using an ineligible player. The game will be forfeited.
- 7) As per the NYSPHSAA handbook any additional penalties may be imposed at the school or section level.
