SECTION IX BY LAWS
Unsportsmanlike Conduct Rule
Revised by Section IX

Sportsmanship: The NYSPHSAA and Section IX recognizes and appreciates that the influence and responsibility of the school administration with regard to good sportsmanship extends to all levels of competition. However, it must also be seen that the NYSPHSAA AND Section IX has been vested with the responsibility to ensure that all contests under its jurisdiction are conducted satisfactorily. This standard applies to all regular season and post schedule play.

I. Coach:

1. Any coach excluded by a certified official from an interschool competition for unsportsmanlike conduct is ineligible to coach any interschool competition in that sport until after the next previously scheduled contest at the same level (e.g. junior varsity, varsity, etc.) has been completed. **The coach may not be present at the game site. NOTE:** “Not being physically present at the site” means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands or site area before, during or after the game/meet.
2. A coach who strikes, shoves, kicks or makes other physical contact with the intent to do so to another person (e.g. official, another coach, player, fan) shall be expelled immediately and banned from further participation or coaching in all sports for one year from the date of the offense.
3. The coach of the player(s) who was ejected will notify his/her Athletic Director of the incident on the same day that it occurred. The Athletic Director will then contact the League Coordinator to confirm that the player(s) will not be allowed to participate in the school’s next scheduled game/games as above.

2. Any member of the squad who strikes, shoves, kicks or makes other physical contact with the intent to do so to an official shall be expelled from the game immediately and banned from further participation in all sports for one year from the date of the offense. **NOTE:** "Member of the squad" includes player, manager, scorekeeper, timers, statisticians.

III. Official:

1. Unprofessional conduct on the part of official such as, but not limited to, taunting, baiting, use of profanity, shall be reported by a school administrator from the aggrieved school to the Section Executive Director. A request will be made to the appropriate sport officials' chapter to investigate the incident and to report their action to the Section in a timely manner.
2. The official who ejected the player(s) or coach shall notify the League Coordinator prior to 12:00 Noon the following day of the name(s) of the player(s) or the coach and the infraction(s). The League Coordinator shall notify the Athletic Director of the offending school.

1. An official game is 5 innings or 4 and one-half if the home team is ahead. If a winner can be determined and no more baseball can be played that day, the game is over and a winner is declared. The game does not have to go 7 innings.
2. If a game is stopped before it becomes an official game, the game is a suspended game. This game will be picked up at that point. Score, inning, count of batter etc. should all be recorded in scorebook.
3. If the game is stopped after having gone long enough to be an official game, however a winner cannot be determined due to a tied score. This game becomes a tied/suspended game at that point. This game becomes a tied / suspended game at that point. This game will be picked up at that point. Score, inning, count of batter etc. should all be recorded in scorebook.
4. If a game is stopped after having gone long enough to become an official game and;

 - b. The visitors score a run or runs in the top half of the inning and the home team does not complete their at bat. The game reverts back to the last completed inning and either a winner is declared or we have a tied / suspended game. Score, inning, count of batter etc. should all be recorded in scorebook.
 - c. The home team ties the game in the bottom half of the inning but doesn't complete the inning. If we cannot play anymore we have a tied / suspended game at that point. This game will be picked up at that point. Score, inning, count of batter, etc., should all be recorded in scorebook. Or,
