4. Any division in either league with less than four teams when the division games begin will only use their overall index.
5. Points will be earned for a win based on the chart below and a tie game the teams will split in half the points from the number of points they would have earned if they had won the game.
6. There are no negative points.
7. The tie breaker for seeding is:
 - a. Head-to-head
 - b. Class points/# of class games played.
 - c. Overall points/# of overall games played.

If you play each team twice in your division and choose to play that team a third time only the games assigned by your league count as division games

SECTION IX BYLAWS

Unsportsmanlike Conduct Rule

Revised by Section IX

Sportsmanship: The NYSPHSAA and Section IX recognizes and appreciates that the influence and responsibility of the school administration with regard to good sportsmanship extends to all levels of competition. However, it must also be seen that the NYSPHSAA AND Section IX has been vested with the responsibility to ensure that all contests under its jurisdiction are conducted satisfactorily. This standard applies to all regular season and post schedule play.

I. Coach:

1. Any coach excluded by a certified official from an interschool competition for unsportsmanlike conduct is ineligible to coach any interschool competition in that sport until after the next previously scheduled contest at the same level (e.g. junior varsity, varsity, etc.) has been completed. **The coach may not be present at the game site. NOTE:** "Not being physically present at the site" means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands or site area before, during or after the game/meet.
2. A coach who strikes, shoves, kicks or makes other physical contact with the intent to do so to another person (e.g. official, another coach, player, fan) shall be expelled immediately and banned from further participation or coaching in all sports for one year from the date of the offense.
3. The coach of the player(s) who was ejected will notify his/her Athletic Director of the incident on the same day that it occurred. The Athletic Director will then contact the League Coordinator to confirm that the player(s) will not be allowed to participate in the school's next scheduled game/games as above.

II. Player:

1. Any member of a squad ruled out of a contest for unsportsmanlike conduct or for a flagrant foul will have the following occur:
 - A. First Ejection - that player(s) cannot attend or participate in the next scheduled contest **in that sport**. If the season has ended the player(s) cannot attend or participate in the next scheduled contest in his/her next season of participation.
 - B. Second Ejection - that player(s) cannot attend or participate in the next two scheduled contests **in that sport**. If the season has ended the player(s) cannot attend or participate in the next two scheduled contests in his/her next season of participation.
 - C. Third Ejection - that player(s) cannot attend or participate in any remaining scheduled contests for the remainder of that sports season. **If the** season has ended the player(s) cannot attend or participate in the next three scheduled contests in his/her next season of participation.

Please note: Disqualified from one season carry over to the next season of participation.

2. Any member of the squad who strikes, shoves, kicks or makes other physical contact with the intent to do so to an official shall be expelled from the game immediately and banned from further participation in all sports for one year from the date of the offense. **NOTE:** "Member of the squad" includes player, manager, scorekeeper, timers, statisticians.

III. Official:

1. Unprofessional conduct on the part of official such as, but not limited to, taunting, baiting, use of profanity, shall be reported by a school administrator from the aggrieved school to the Section Executive Director. A request will be made to the appropriate sport officials' chapter to investigate the incident and to report the infraction to the Section in a timely manner.
2. The official who ejected the player(s) or coach shall notify the League Coordinator prior to 12:00 Noon the following day of the name(s) of the player(s) or the coach and the infraction(s). The League Coordinator shall notify the Athletic Director of the offending school.

TIED AND SUSPENDED GAME RULE:

To be used for All Section IX Contests
The Section IX Baseball Tournament
and

NYSPPHSAA Championship Tournament

May also be used during regular season play with Section approval:

1. An official game is 5 innings or 4 and one-half if the home team is ahead. If a winner can be determined and no more baseball can be played that day, the game is over and a winner is declared. The game does not have to go 7 innings.
2. If a game is stopped before it becomes an official game, the game is a suspended game. This game will be picked up at that point. Score, inning, count of batter etc. should all be recorded in scorebook.
3. If the game is stopped after having gone long enough to be an official game, however a winner cannot be determined due to a tied score. This game becomes a tied/suspended game at that point. This game becomes a tied / suspended game at that point. This game will be picked up at that point. Score, inning, count of batter etc. should all be recorded in scorebook.
4. If a game is stopped after having gone long enough to become an official game and;
 - a. The visitors score a run or runs in the top half of the inning. The game reverts back to the last completed inning and either a winner is declared or we have a tied / suspended game. Or,
 - b. The visitors score a run or runs in the top half of the inning and the home team does not complete their at bat. The game reverts back to the last completed inning and either a winner is declared or we have a tied / suspended game. If we have a tied / suspended game we pick up from that point (visitors runs in the top half of the inning and home team runs in bottom half count). This game will be picked up at that point. Score, inning, count of batter etc. should all be recorded in scorebook.
 - c. The home team ties the game in the bottom half of the inning but doesn't complete the inning. If we cannot play anymore, we have a tied / suspended game at that point. This game will be picked up at that point. Score, inning, count of batter, etc., should all be recorded in scorebook. Or,
 - d. The home team takes the lead in the bottom half of the 5th or 6th inning, then game is called. At that point the home team is declared the winner.
5. A game-ending procedure was approved in high school baseball effective in the Spring of 2018. The run rule states that the game will end with a run differential of 10 runs after 5 innings (or 4 ½ if the home team is winning).

- 1 If a pitch is thrown on a balk call, the pitch will NOT count for the purposes of this rule
- 2 A pitcher at any level who reaches the pitch count limit in the middle of an at-bat will be allowed to finish that hitter. The number of nights rest is determined by the actual number of pitches thrown.
- 3 Schools will have the responsibility to maintain all pitching charts. They will also be required to make any game chart available to any school prior to any game to show availability of pitchers for that given day.
- 4 During games each team will record pitch counts on the official NYSPHSAA pitch count form, this should not include warm-ups or pick off attempts. After each half inning the pitch counts will be confirmed by both teams. Any discrepancy will be resolved based on the records of the home team pitch count chart.
- 5 At game's conclusion, the NYSPHSAA pitch count form will be signed by both head coaches or designated representative.
- 6 Any violation of this rule will be considered in the same light as a school using an ineligible player. The game will be forfeited.
- 7 As per the NYSPHSAA handbook any additional penalties may be imposed at the school or section level.
