Procedures for weather delays or cancellations of Section IX contests

1. In sectional competition between two individual schools, e.g. baseball, basketball, etc., the respective Superintendents of the competing schools will determine if weather conditions are safe enough for travel and competition. The Sports Chair for the contest in question will advise the respective athletic directors of the playing venue conditions.
2. In sectional competition involving multiple schools, the respective Sports Chair will advise the Executive Director or designee of any adverse conditions. The Executive Director or Designee will consult with the participating schools then decide whether to hold or cancel the competition.
3. All sectional scheduling will include a make-up date, published in advance, to be used if necessary.
4. In the unlikely event that no sectional play is possible to determine a Section IX representative for state competition, the Executive Director or Designee in consultation with the respective Sports Chair will determine the sectional representative. Under ordinary circumstances, this will be the highest seed. If due to unforeseen circumstances, the highest seed is not chosen, the selection of the sectional representative by the Executive Director or Designee is final and binding.

**Rosters**

The Section IX Basketball Committee has requested all rosters (JV and Varsity) be posted to each school's MaxPreps page. MaxPreps offers an easy way for schools to copy and paste rosters into a program to be used throughout the season. To upload your roster, you will need to be given access from your school's Athletic Director. In addition to helping with programs throughout the season, MaxPreps is the only way that information can be submitted for those teams that qualify for the State Tournament.

**I. GAME PROCEDURES**

**A. UNIFORMS**

1. Higher Seeded teams will wear whites or home uniforms.
2. It is suggested, however, that you bring both uniforms.

**B. OPENING CEREMONIES**

E. A competent paid timer, scorer, and an announcer will be supplied at the tournament site, at the rate of \$40 per game for the finals.

**F. PROTEST PROCEDURES:**

1. No protests based on officials' judgments will be heard by the protest committee.
2. The protest committee will be composed of
  - A. Three members of the Basketball Committee
3. Any coach lodging a protest will immediately notify one of the game officials that he/she is playing the game under protest and follow the following procedures.

Immediately after the game, the protesting coach will write a complete statement outlining the reasons for the protest. The written protest should be turned over to a member of the basketball committee. If no committee member is present the officials are to accept the protest and notify the chairman immediately.

### What is a “Division Game”?

Section IX is made up of two leagues, each having divisions based on enrollment. The Orange County Interscholastic Athletic Association (OCIAA) has six divisions while the Mid-Hudson Athletic League (MHAL) has four divisions.

With the exception of OCIAA Division I and OCIAA Division II (all Class AA Schools) only **division games** are used for seeding. In the OCIAA Division I and OCIAA Division II the “crossover” games (Division I vs. Division II) are also used.

**These are the games that should be entered on your Division Point Card.**
