

2023-2024 Section IX Basketball Handbook

Section IX By Laws
Section IX Unsportsmanlike Conduct Rule

Sportsmanship: The NYSPHSAA and Section IX recognizes and appreciates that the influence and responsibility of the school administration with regard to good sportsmanship extends to all levels of competition. However, it must also be seen that the NYSPHSAA AND Section IX has been vested with the responsibility to ensure that all contests under its jurisdiction are conducted satisfactorily. This standard applies to all regular season and post schedule play.

I. Coach:

1. Any coach excluded by a certified official from an interschool competition for unsportsmanlike conduct is ineligible to coach any interschool competition in that sport until after the next previously scheduled contest at the same level (e.g. junior varsity, varsity, etc.) has been completed. **The coach may not be present at the game site. NOTE:** “Not being physically present at the site” means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands or site area before, during or after the game/meet.
2. A coach who strikes, shoves, kicks or makes other physical contact with the intent to do so to another person (e.g. official, another coach, player, and fan) shall be expelled immediately and banned from further participation or coaching in all sports for one year from the date of the offense.
3. The coach of the player(s) who was ejected will notify his/her Athletic Director of the incident on the same day that it occurred. The Athletic Director will then contact the League Coordinator to confirm that the player(s) will not be allowed to participate in the school’s next scheduled game/games as above.

II. Player:

1. Any member of a squad ruled out of a contest for unsportsmanlike conduct or for a flagrant foul will have the following occur:
 - A. First Ejection – that player(s) cannot attend or participate in the next scheduled contest **in that sport**. If the season has ended the player(s) cannot attend or participate in the next scheduled contest in his/her next season of participation.
 - B. Second Ejection – that player(s) cannot attend or participate in the next two scheduled contests **in that sport**. If the season has ended the player(s) cannot attend or participate in the next two scheduled contests in his/her next season of participation.
 - C. Third Ejection – that player(s) cannot attend or participate in any remaining scheduled contests for the remainder of that sports season. If the season has ended the player(s) cannot attend or participate in the next three scheduled contests in his/her next season of participation.

Please note: Disqualified from one season carry over to the next season of participation.

2. Any member of the squad who strikes, shoves, kicks or makes other physical contact with the intent to do so to an official shall be expelled from the game immediately and banned from further participation in all sports for one year from the date of the offense. **NOTE:** “Member of the squad” includes player, manager, scorekeeper, timers, and statisticians.

III. Official:

1. Unprofessional conduct on the part of official such as, but not limited to, taunting, baiting, use of profanity, shall be reported by a school administrator from the aggrieved school to the Section Executive Director. A request will be made to the appropriate sport officials’ chapter to investigate the incident and to report their action to the Section in a timely manner.
2. The official who ejected the player(s) or coach shall notify the League Coordinator prior to 12:00 Noon the following day of the name(s) of the player(s) or the coach and the infraction(s). The League Coordinator shall notify the Athletic Director of the offending school.

Section IX Coaches Code of Conduct

In order to ensure that the principles of sportsmanship, fair play, skill development, and mutual respect among players, coaches, officials and spectators are the primary considerations governing competition in Section IX, the following Code of Conduct has been established and adopted.

Each coach shall:

1. Know the rules and abide by them. Instruct team members in the rules and coach his team in such a way as to motivate each player to compete according to the rules at all times.
2. Respect the game officials and refrain from questioning their decisions in a disrespectful or abusive manner. No negative comments in media.
3. Ensure that all facility rules and regulations are followed by the players, coaches and spectators, respecting at all times the property of others.
4. Assist the game officials in maintaining control of spectators during the games when necessary.
5. Respect the coaches and players of the opposing team and demonstrate appropriate gestures of sportsmanship during the play of the game and at its conclusion. Be humble and generous in victory. Be proud and courteous in defeat. Teach each player, especially through personal example, to be humble and generous in victory and proud and courteous in defeat.
6. Maintain emotional and physical control, avoiding the use of abusive language or profanity, humiliating remarks, gestures of ill temper, and physical assault upon another individual.
7. Instruct team support personnel (e.g., assistant coaches, managers, scorebook keepers, and timekeepers) in their responsibilities in accordance with established rules and procedures.
8. Realize, accept, and practice the principle that a team's reputation is built not only on its playing ability, but also on its sportsmanship, courtesy and conduct.

Section IX Spectator Code of Conduct

At the May 2023 NYSPHSAA Executive Committee the following Spectator Sportsmanship Regulation was approved:

Any negative, inappropriate, derogatory comments or actions that draw the direct attention of a supervisor or school administrator by a spectator or group of spectators are required to be addressed by the host school, Sectional or NYSPHSAA representative in the following non-sequential order depending on the comments or behavior:

- **First warning** – Directing the spectator or group of spectators to refrain from any negative comments or actions.
- **Second warning** – A personal discussion with the spectators or group of spectators on the above NYSPHSAA expectations and reminding the spectators or group of spectators of the next step, removal of the game or event, will be utilized if the behavior continues.
- **Removal from the contest** – The spectator or group of spectators will be directed to leave the facility for the remainder of the game or event. If spectators or group of spectators refuse to leave the game or event, play will be stopped until they vacate the premise.

Penalty for being removed from a game or event: Any spectator removed from a game or event will have a minimum penalty of completing the NFHS Parent Credential course or a one game suspension before they are allowed to attend any interscholastic event. Once the course is completed the spectator will provide a certificate of completion to the athletic department office. Schools are required to communicate with the offending spectator on the NYSPHSAA Sportsmanship Spectator Expectations.

- Depending on the severity of the behavior/comments or future disqualifications by the offending spectator NYSPHSAA and the Section may get directly involved in the situation.

Section IX Athletics recognizes the importance of behavior and personal character in our student athletes. As such, we ask our spectators to:

1. Demonstrate a high degree of sportsmanship.
2. Show team support by making only positive comments.
3. Show respect for the judgment of coaches, officials, and referees.
4. Acknowledge fields, courts and equipment as the player's domain during contests.
5. Monitor the safety of children in the bleachers and stands.
6. Respect the law. All public schools and Section IX venues are smoke-free, substance free environment.
7. Athletic contests home, away or at a neutral site are an extension of the classroom. Therefore, all school rules are in effect.
8. Spectators will respect and obey all school officials, supervisors and site personnel at contests.
9. There will be no ringing of bells, sounding of horns, or other noise makers at indoor contests.(This does not apply to spirit groups including school approved pep bands or cheerleaders.) Outdoor use will be at the discretion of the site personnel.
10. The throwing of debris, confetti, or other objects from the stands is prohibited. Offending individuals will be asked to leave the premises.
11. Exceptions to this behavior will lead to ejection from the event.

***Please note that individual schools may have more stringent policies. ***

Section IX Procedures for Weather Delays or Cancellations of Section IX Contests

1. In sectional competition between two individual schools, e.g. baseball, basketball, etc., the respective Superintendents of the competing school will determine if weather conditions are safe enough for travel and competition. The Sports Chair for the contest in question will advise the respective athletic directors of the playing venue conditions.
2. In sectional competition involving multiple schools, the respective Sports Chair will advise the Executive Director or designee of any adverse conditions. The Executive Director or designee will consult with the participating schools then decide whether to hold or cancel the competition.
3. All sectional scheduling will include a make-up date, published in advance, to be used if necessary.
4. In the unlikely event that no sectional play is possible to determine a Section IX representative for state competition, the Executive Director or Designee in consultation with the respective Sports Chair will determine the sectional representative. Under ordinary circumstances, this will be the highest seed. If due to unforeseen circumstances, the highest seed is not chosen, the selection of the sectional representative by the Executive Director or Designee is final and binding.
