Competitive Cheerleading - Full Implementation

In an effort to assist NYSPHSAA member schools with questions and concerns pertaining to competitive cheerleading, please reference the topics and information included in this document. For additional information, please contact:

Todd Nelson, NYSPHSAA Assistant Director at tnelson@nysphsaa.org / (518) 690-0771.

Traditional Cheer vs. Competitive Cheer: The NYSPHSAA Cheerleading Committee has recommended any CHEERLEADING Squad that stunts or tumbles (see definitions below, as per AACCA) be considered a Competitive Cheer Squad and would be subject to all SED and NYSPHSAA rules and regulations. A team that does not stunt and tumble would be a traditional squad and NOT subject to SED and NYSPHSAA rules and regulations.

- **Stunt:** One or more persons supporting one or more top persons off of the ground.
- **Tumbling:** Gymnastic skills that begin and end on the performing surface, including rolls, inverted extended skills (cartwheels, handstands, walkovers, handsprings, etc.), aerials, twists and flips.
NOTE: Jumps, leaps and side rolls on the performing surface are not considered to be tumbling.

NYSED Regulations: All SED regulations (Age, Grade, Bona Fide Student, Duration of Competition, Health exams, et c.) will be followed along with the regulations listed below:

- o Mixed Competition: Outlined by SED
- o Selection Classification: Gymnastics standards recommended by the NYSPHSAA.
- o Coaching Certification: All Competitive Cheerleading coaches will have to have the following to be certified coaches for the Winter season as per SED regulations: All non-certified teacher coaches will have to apply for a temporary coaching certificate. Any outside clinician that works with a team for more than 5 days during the season will also have to apply for a temporary coaching certificate.
 - First Aid and CPR/AED
 - Fingerprinting
 - Child Abuse Course
 - Concussion Management Course
 - DASA Training (if applying for a temporary coaching license)
 - AACCA Safety Course
 - All non-PE coaches will have to begin to take the three required courses:
 - Philosophies and Principles of Coaching - first year
 - Theories and Techniques - by 3rd year
 - Health and Sciences - by 3rd year

NYSPHSAA General Eligibility:

All current NYSPHSAA eligibility rules (including the transfer rule) will be enforced for all Competitive Cheerleading Squads. Two of those regulations are highlighted below:

- Fall Cheerleading and Winter Cheerleading: The Cheerleading Committee has recommended that students/teams be allowed to compete in both seasons because of well-established league and sectional events. The NYSPHSAA Championship events would be held only in the Winter season.
- Interstate Sanctioning: Teams will have to follow the sanctioning process if they are attending an out of state event or hosting an event that has out of state schools competing. NY schools may only compete against member/approved schools.

NYSPHSAA Competition Standards:

Competition Standards for the sport of competitive cheerleading.

- Minimum Practice Requirement: 10 team/ 8 individuals

A - Schools will be able to just offer traditional cheerleading squads. These squads will not follow the rules and regulations of SEO or the NYSPHSAA. If a traditional squad incorporates stunting /tumbling into a sideline or halftime routine they will be considered a competitive cheerleading squad and will have to follow the rules and regulations of SEO and NYSPHSAA. Schools can choose to be both.
