

NYSPPHSAA Chemical Health Committee
Marco Lanzoni, Section IX Chemical Health Chairperson
October 25, 2010
Teleconference

- John Underwood, from the American Athletic institute, will be presenting an update on prescription medical drugs, synthetic marijuana and energy drinks. The conference is tentatively set for January 26, 2011. All schools will be invited at a charge of \$50 per school. Schools will be able to send as many representatives as they want. More information will be sent to schools.
- Our next meeting will be at the NYSPHSAA conference on March 17th in Saratoga Springs, NY.
