1. A running clock and/or modified periods

Field Hockey Rules Changes - 2017

By NFHS on April 25, 2017

1-2-4h: The Substitution Area marked as follows on the same side of the field as the official's table, 10-yard wide area, 5 yards on either side of the center line, for all players including goalkeepers.

4-2-2b: The game clock shall be stopped by the official's signal for a goalkeeper substitution.

4-4-7: Time is not stopped during substitution except for a goalkeeper.

8-1-1v, w (NEW): Fouls include rough and dangerous play and unnecessary delay of the game.

8-1-1 PENALTIES 2: For deliberate fouls by the defense inside the 25-yard line, but outside the circle, the official shall award a penalty corner.

8-2-1a, e, h: Misconduct includes any player or team action that an official deems to be unsportsmanlike including 1) disputing, appealing, protesting and/or reacting in a provocative or disapproving manner or an inappropriate way toward any decision made by an official; 2) entering the field of play for any reason without permission from the official; and 3) not respecting the 5-yard area off the sideline of the field outside of the designated team bench area and remaining behind a clearly marked restraining area.

8-2 PENALTIES 2, 3, 4: Removed the awarding of a penalty stroke when a red card is issued to a player(s)

Official Signals: 25-Yard Free Hit signal has changed to using the right or left arm as appropriate, with the arm well below the shoulder level, draw an imaginary line from the point where the ball crossed the backline to the point on the 25-yard line.

1. Properly Marked Protective Eyewear (ASTM #2713)
2. Good Sporting Behavior
3. Rough and Dangerous Play
4. Flagrant Fouls
5. Substitutions
6. Self-pass and Delay of Game

Effective with the 2017 season, the home team shall wear white socks/sock guards only, thus eliminating the “light-colored” option. The committee noted that since the home team is required to wear single solid white uniform tops, it should wear only white socks to match the uniform top.

In another equipment change, Rule 1-7-1 will now permit the goalkeeper’s uniform top to be multiple colors to ensure contrasting uniforms with field players. In addition, effective with the 2017 season, a visible number should be on the front and back of the uniform top.

Regarding penalty strokes, the committee eliminated the final option (Rule 11-1-1e) for when a penalty stroke is awarded – “The defending team continues to deliberately cause the ball to go over the end line” – since the rules have evolved to allow umpires to better manage this situation if it occurs.

The committee approved an additional penalty in Rule 1-5-6, which addresses an entire team wearing illegal uniforms: “When an illegally uniformed team is unable to correct the situation or cannot verify state association approval of the uniform, the game shall be played. The referee must, however, notify the state association following the game.”

A complete listing of all rules changes will be available soon on the NFHS website at www.nfhs.org. Click on “Activities & Sports” at the top of the home page, and select “Field Hockey.”

SECTION IX

Unsportsmanlike Conduct Rule

Sportsmanship: The NYSPHSAA and Section IX recognizes and appreciates that the influence and responsibility of the school administration with regard to good sportsmanship extends to all levels of competition. However, it must also be seen that the NYSPHSAA AND Section IX has been vested with the responsibility to ensure that all contests under its jurisdiction are conducted satisfactorily. This standard applies to all regular season and post schedule play.

I. Coach (There is no appeal to a coach ejection. The official's decision is final). (Please refer to the NYSPHSAA Handbook – Sportsmanship; Standard 27b):

1. Any coach excluded by a certified official from an interschool competition for unsportsmanlike conduct is ineligible to coach any interschool competition in that sport until after the next previously scheduled contest at the same level (e.g. junior varsity, varsity, etc.) has been completed. **The coach may not be present at the game site. NOTE:** “Not being physically present at the site” means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands or site area before, during or after the game/meet.

2. A coach who strikes, shoves, kicks or makes other physical contact with the intent to do so to another person (e.g. official, another coach, player, fan) shall be expelled immediately and banned from further participation or coaching in all sports for one year from the date of the offense.

3. The coach that was ejected will notify his/her Athletic Director of the incident on the same day that it occurred. The Athletic Director will then contact the League Coordinator as the coach(s) will not be allowed to participate in the school's next scheduled game/games as above.

II. Player Ejections: (There is no appeal to a player ejection. The official's decision is final).

1. Any member of a squad ruled out of a contest for unsportsmanlike conduct (flagrant foul, two technical fouls in basketball, two yellow cards, red card, inappropriate language or taunting, fighting, etc.), the following action is **required** by the NYSPHSAA Regulations detailed in Standard #27b:

A. First Ejection – that player(s) cannot attend or participate in the next scheduled contest **in that sport**. If the season has ended the player(s) cannot attend or participate in the next scheduled contest in his/her next season of participation.

B. Second Ejection – that player(s) cannot attend or participate in the next two scheduled contests **in that sport**. If the season has ended the player(s) cannot attend or participate in the next two scheduled contests in his/her next season of participation.

C. Third Ejection – that player(s) cannot attend or participate in any remaining scheduled contests for the remainder of that sports season – including sectional, regional and state contests. If the season has ended the player(s) cannot attend or participate in the next three scheduled contests in his/her next season of participation.

Please note: Disqualifications from one season will carry over to the next season of participation.

2. Any member of the squad who strikes, shoves, kicks or makes other physical contact with the intent to do so to an official shall be expelled from the game immediately and banned from further participation in all sports for one year from the date of the offense. **NOTE:** “Member of the squad” includes player, manager, scorekeeper, timers, and statisticians.

3. Communication Responsibilities regarding ejections:

A. The coach of the player(s) who was/were ejected will notify his/her Athletic Administrator by 12 noon the following day. The Athletic Administrator must report the ejection to their respective League Coordinator by 12 noon the following day.

III. Official:

1. Unprofessional conduct on the part of official such as, but not limited to, taunting, baiting, use of profanity, shall be reported by a school administrator from the aggrieved school to the Section Executive

Director. A request will be made to the appropriate sport officials' chapter to investigate the incident and to report their action to the Section in a timely manner.

2. The official who ejected the player(s) or coach shall notify the League Coordinator prior to 12:00 Noon the following day of the name(s) of the player(s) or the coach and the infraction(s). The League Coordinator shall notify the Athletic Director of the offending school.

EMERGENCY CANCELLATION -Cancellation of school(s) or cancellation of an interscholastic athletic contest(s):
If an event is postponed, it will be rescheduled at a date and time mutually agreed upon by both school districts according to the policies of the league, and/or conference and/or Section. If there is a dispute on a rescheduled date or time, the league president (if there is one) or Section Executive Director, in accordance with Section policy, will make the final determination.

If a contest cannot be rescheduled, the contest will be declared as a “no contest”. Therefore, no win or loss will be recorded on the team’s season record. Sections will adjust the seeding procedure to ensure no negative impact will be imposed in the seeding procedure.

DECLARED EMERGENCY POLICY -In the event an emergency is declared by a BOCES or governmental agency at the local, state and/or national level the NYSPHSAA policy will be:

- ⌚ **LOCAL and COUNTY (included in this category are league, conference, Section, BOCES, etc)**

In the event the postponement of scheduled interscholastic contests is required, the rescheduling of these contests will be determined by the league, conference or section policies.
- ⌚ **STATE** -If a state emergency is declared, all schools/school districts will determine whether they should postpone scheduled contests.
 - If a school/school district determines it is in its community’s best interest to postpone a scheduled contest, that is a decision that rests with the Chief School Officer of both schools after consulting with each other. Nevertheless, if one Chief School Officer decides it is in the best interests of his/her school not to play, the contest will be postponed and rescheduled when and if possible.
 - If an interscholastic athletic event is postponed, it will be rescheduled at a date and time mutually agreed upon by both school districts according to the policies of the league, and/or conference and/or Section. If there is a dispute on a rescheduled date or time, the league president (if there is one) or Section Executive Director in accordance with Section policy will make the final determination.
 - If a contest cannot be rescheduled, the contest will be declared as a “no contest”. Therefore, no win or loss will be recorded on the team’s season record. Sections will adjust the seeding procedure to ensure no negative impact will be imposed in the seeding procedure.
 - The NYSPHSAA will follow all appropriate directives and will determine whether interscholastic athletic competition will continue for its member schools.
- ⌚ **NATIONAL** -If a national emergency is declared, the NYSPHSAA will follow all appropriate directives and will determine whether interscholastic athletic competition will continue for its member schools.
 - **Sectional Championships** -If a declared emergency is called during sectional events, the Section will make the determination whether to continue play after consulting with all appropriate health, NYSED and governmental agencies.
 - **NYSPHSAA Championship** -If a declared emergency is called during NYSPHSAA events, the NYSPHSAA will make the determination whether to continue play after consulting with appropriate health, NYSED and governmental agencies.

1. Purpose and philosophy

a. The purpose of a lightning and thunder policy is to provide a safeguard for athletic contest, events and practices

a. **The occurrence of lightning and thunder is NOT subject to interpretation or debate.** Lightning and thunder necessitates that contests, events, or practices be immediately suspended

3. Procedures:

a. Chain of command

i. The chain of command at athletic events is defined as:

1. Superintendent of school
2. Principle/building administrator
3. Sport chairs or their designees
4. Athletic Coordinator

6. Officials
7. Sponsoring Coach
8. Security Personnel

b. Sequential Response will include:

1. Suspend play and direct participants to shelter in a public building or if building is unavailable, to a vehicle with a solid top
2. Monitor weather scanners/stations
3. **After lightning and thunder has passed, wait a FULL 30 minutes after the last lightning strike and/or sound of thunder before resuming play**
4. Event suspension or evacuation procedures to be outlined during pre-event announcements

c. Host School Responsibilities will include:

1. To make a pre-event announcement that notes rules, regulations and evacuation procedures
2. Announcement to be read: "All spectators, competitors, and personnel should go inside to the school building as quickly as possible. A vehicle with a metal roof and the windows rolled up is a safe alternative to a sturdy building. DO NOT take shelter under trees or other lone objects. 3. Authority to execute the sequential response shall be governed by the chain of command

HEAT INDEX PROCEDURES

Administration of Heat Index Procedures:

- Heat index will be checked 1 hour before the contest/practice by a certified athletic trainer, athletic director, or school designee when the air temperature is 80 degrees (Fahrenheit) or higher.
- The athletic trainer, athletic director, or school designee will use the accuweather.com website to determine the heat index for the area of the contest/practice. The accuweather.com website can be reached through the NYS PHSAA website. Once a person is on the accuweather.com website, they will put in the zip code for the location of the contest/practice and the website will give them the air temperature as well as the RealFeel temperature (heat index).
- If the RealFeel temperature (heat index) is 90 degrees or above, the athletic trainer, athletic director, or school designee must re-check the RealFeel (heat index) at halftime or midway point of the contest. If the RealFeel (heat index) temperature is 95 degrees (Fahrenheit) or more, the contest will be suspended.

Please refer to the following chart to take the appropriate actions:

	RealFeel (Heat Index) under 79 degrees	Full activity. No restrictions.

Field Hockey Overtime Procedures
2017-2018

- I. At the end of the regulation game, there will be a coaching intermission that will last up to 5 minutes.

The Officials will:

- Meet with Captains and Coach.
- Toss of coin: the **Visiting team** calls the toss. The winner of the toss gets choice of possession OR end of field.
- The tableside official remains the head official for all segments of the overtime procedures.

II. **Ten minute OT 7 V 7 sudden victory OT period:**

- Rolling substitutions are permitted.
- Each team is permitted one time out during the 10-minute overtime period
- Defensive corners during 7 v 7:
- Defense will be reduced to 4 players (3 plus goalie) behind end line
- The remaining defensive player goes behind the 50 yd line with the rest of the team.
- The attack remains the same.

III. **If a tie still exists after the first 10 minute overtime, the teams will play a second 10 minute 7 V 7 Sudden Victory overtime period.**

- A coaching intermission, lasting 5 minutes, will be allowed prior to the start of the second OT period.
- Teams will change ends of the field, the team not having possession at the start of the first OT shall have possession to start the second OT.
- Time-outs may not be carried over from the previous period, each team is allowed one time out.
- Rolling substitution are permitted.
- Defensive corners same as above.
- The attack remains the same.

IV. **If the score remains tied at the end of the second 10 minute overtime period; a Shoot-out will take place.**

A set of 5 alternating shoot outs take place in each series. A full set of 5 is played.

- Players from each team take a 1v1 shoot-out, alternately against the goalkeeper of the other team.
 - Five (5) players per team will take the shoot-out in the sequence nominated and communicated by the team to the umpires on duty before the start of the shoot-out competition. The order of shoot-out must be indicated to the umpires at the coin toss.
 - The umpires, in conjunction with the tournament committee will choose the goal to be used.
 - Toss of coin: The **Visiting team** calls the toss. The team which wins the toss has the choice to take or defend the first shoot-out.
1. The team scoring or awarded the most goals is the winner and the competition ceases once an outright winner is determined. Winner is declared: when there is a clear winner and play is not necessary to finish the group of 5. ex: during the 1st group of five 1v1 scenarios, the score is 4-1 , there is no need to play out the last two players.

PLAYERS AND COACHES—

- When not involved in play, the Goalkeeper may stand on the end line on the side of the goal closest to her team OR may stand behind the 25 yd line with the 5 players involved in the shootout.
 - Team members, and coaches not involved in the shootout, may stand on the field, behind the 30 yd. line, 5-10 yards from the sideline. One team on each side of the field.
 - PLAYERS should be ready for the next shootout, but not raced into the set up.
 - If the goalie is a shooter, she is considered a field player.
-
- A player who has been excluded permanently (red card) from the field of play during that same match, cannot take part in any shoot-out competition.
 - A team with a player who was carded during the shootout, must play short in the shootout period.

V. Shootout:

OFFICIALS:

- Lead and Trail officials will call the shootout.
- Lead official during regulation time will continue to be lead regardless of which goal is chosen.
- Table official will keep time.
- If Sectional games have a Certified *Table official*, the *Table official* will keep the time. If a Certified Official is not assigned to the table during Sectional games, the timer will turn her/his back to the field and start the 10 seconds with the official's whistle. The official time will be kept on the field.
- Officials should not feel they have to move the 1v1 along. Officials should scan both benches, allowing players and coaches a reasonable amount of time to set up for each shootout.

PROCEDURE:

- The goalkeeper starts on or behind the goal line between the posts.
- The ball is placed on the nearest 25 yd line opposite the center of the goal.
- The attacker stands outside the 25 yd line near the ball.
- The umpire blows the whistle to signal the start of the shootout; the attacker and the goalkeeper may then move in any direction.
- The shoot-out is completed under the following conditions:
 - **10** seconds has elapsed.
 - The attacker scores a goal.
 - The attacker commits a foul.
 - The goalkeeper commits an unintentional foul in which case the shoot-out is re-taken.
 - The goalkeeper commits an intentional foul, in which case a penalty stroke is awarded.
 - The ball goes out of play over the back-line or side-line; this includes the goalkeeper intentionally playing the ball over the back-line (not a foul). The ball simply going outside the circle a second time does not constitute the end of a shoot-out.

Replacement situations

- If a penalty stroke is awarded as specified above, it is taken by the two players involved in the shoot-out concerned, unless either of them is incapacitated or suspended. This penalty stroke will take place before the next available shoot-out takes place.
- If the replacement goalkeeper is a field player, that player is allowed reasonable time to put on

- protective equipment.
- If during a shoot-out competition, a defending goalkeeper is incapacitated, that goalkeeper may be replaced by another goalkeeper.
 - If during the shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from the team unless suspended by the umpire prior to or during the shoot-out competition.
- VI. **If a tie still exists after the first series of 5 shoot-out, a second series of 5 shoot-outs** will take place.
- Coaches may change the order and/or players before the start of the second shootout.
 - A coaching intermission lasting 2 minutes, will be allowed prior to the start of the second shoot-out period.
 - The coach must inform the umpires as to the order in which the nominated players take the shoot-out.
 - The team who had taken the first shoot-out of the first series must defend the second series.

****If a tie still exists after a second series of 5 shootouts, Sudden Victory of 5 additional shoot-outs are taken. (Follow the same process criteria as above.)**

VII. Misconduct:

1. Each team will begin the first 7v7 overtime with seven players, one of which must be a Goalkeeper, (unless players were disqualified or have not completed a suspension during any previous playing period. Teams will play short during this time.)
2. Any player who has been disqualified (Red Carded) during regulation play is not eligible for the overtime period and the team will play short for the entire overtime.
3. A player suspended (Green/Yellow Carded) during regulation play, would be eligible at the completion of the suspension timeframe of the 7v7 periods. The team plays short until the suspension is completed.
4. At the beginning of the first round of 1v1 shootout, a suspended player with time that is carried over into the 1v1 shootout round will be unable to participate in any future shootout rounds. **Teams will start the 1 v1 shootout with 5 players.**
5. If an Attack player is Green / Yellow carded **during** the shootout, that player may be replaced with an eligible shooter to participate in any future shoot outs. However the player carded will be unable to participate in any future shootout rounds. Any further player who is carded during the shootout will follow the same procedure.
6. If an Attack player is Red carded **during** the shootout, their team will only have 4 shooters participate in any future shootouts. The player carded will be unable to participate in any future shootout rounds. Any future shoot-out the player was entitled to take counts as no goal. The spot of the no goal in future shootouts will be determined by the carded player's coach.
7. If a goalie is carded **during** the shootout, she is replaced and is unable to participate in any future

rounds. The replacement goalkeeper is allowed reasonable time to put on protective equipment. If the goalie is Red carded, she will be replaced and is unable to participate in any future rounds. An Attack player will be removed from the shootout series and her spot in future shootouts will count as a no goal. The spot of the no goal in future shootouts will be determined by the carded player's coach.

8. It is expected that the players and coaches will not enter the field of play until the official has signaled the end of the game or overtime. Failure to comply will be treated as misconduct.
