Members of this committee are asked to e-mail me with player recommendations. These players are from the class school you have been assigned. Procedures for Weather delays or cancellations of Section IX contests.

- 1. In sectional competition between two individual schools, e.g. baseball, basketball, etc., the respective superintendents of the competing schools will determine if weather conditions are safe enough for travel and competition. The Sports Chair for the contest in question will advise the respective athletic directors of the playing venue conditions.**
- 2. In sectional competition involving multiple schools, the respective Sports Chair will advise the Executive Director or Designee of any adverse conditions. The Executive Director or Designee will consult with the participating schools then decide whether to hold or cancel the competition.**
- 3. All sectional scheduling will include a make-up date, published in advance, to be used if necessary.**
- 4. In the unlikely event that no sectional play is possible to determine a Section IX representative for state competition, the Executive Director or Designee in consultation with the respective Sports Chair will determine the sectional representative. Under ordinary circumstances, this will be the highest seed. If, due to unforeseen circumstances, the highest seed is not chosen, the selection of the sectional representative by the Executive Director or Designee is final and binding.**

**NYSPHSAA GUIDELINES
FOR
EMERGENCY CANCELLATION & DECLARED EMERGENCIES**

EMERGENCY CANCELLATION -Cancellation of school(s) or cancellation of an interscholastic athletic contest(s):

- ❖ If an event is postponed, it will be rescheduled at a date and time mutually agreed upon by both school districts according to the policies of the league, and/or conference and/or Section. If there is a dispute on a rescheduled date or time, the league president (if there is one) or Section Executive Director, in accordance with Section policy, will make the final determination.
- ❖ If a contest cannot be rescheduled, the contest will be declared as a "no contest". Therefore, no win or loss will be recorded on the team's season record. Sections will adjust the seeding procedure to ensure no negative impact will be imposed in the seeding procedure.

DECLARED EMERGENCY POLICY - In the event an emergency is declared by a BOCES or governmental agency at the local, state and/or national level the NYSPHSAA policy will be:

- ❖ **LOCAL and COUNTY** (Included in this category are league, conference, Section, BOCES, etc)
 - If a local emergency is declared, schools will be expected to adhere to the constraints placed on the local school districts. In the event the postponement of scheduled interscholastic contests is required, the rescheduling of these contests will be determined by the league, conference or section policies.
- ❖ **STATE** - If a state emergency is declared, all schools/school districts will determine whether they should postpone scheduled contests.
 - If a school/school district determines it is in its community's best interest to postpone a scheduled contest, that is a decision that rests with the Chief School Officer of both schools after consulting with each other. Nevertheless, if one Chief School Officer decides it is in the best interests of his/her school not to play, the contest will be postponed and rescheduled when and if possible.
 - If an interscholastic athletic event is postponed, it will be rescheduled at a date and time mutually agreed upon by both school districts according to the policies of the league, and/or conference and/or Section. If there is a dispute on a rescheduled date or time, the league president (if there is one) or Section Executive Director in accordance with Section policy will make the final determination.
 - If a contest cannot be rescheduled, the contest will be declared as a "no contest". Therefore, no win or loss will be recorded on the team's season record. Sections will adjust the seeding procedure to ensure no negative impact will be imposed in the seeding procedure.
 - The NYSPHSAA will follow all appropriate directives and will determine whether interscholastic athletic competition will continue for its member schools.
- ❖ **NATIONAL** - If a national emergency is declared, the NYSPHSAA will follow all appropriate directives and will determine whether interscholastic athletic competition will continue for its member schools.
 - **Sectional Championships** - If a declared emergency is called during sectional events, the Section will make the determination whether to continue play after consulting with all appropriate health, NYSED and governmental agencies.
 - **NYSPHSAA Championship** - If a declared emergency is called during NYSPHSAA events, the NYSPHSAA will make the determination whether to continue play after consulting with appropriate health, NYSED and governmental agencies.

Please note: Member schools should go to the NYSPHSAA web site (www.nysphsaa.org) or your Section web site for specific directions and instructions.

Code of Conduct

For Regional & Championship Competitions

Responsibilities and Guidelines for
Athletes and Coaches Participating in
Regional and Championship Contests

An athlete will not be allowed to participate
without this form completed!

Introduction

Any New York State Championship must achieve a standard of Excellence which places it beyond criticism either from an organizational or educational point of view. In essence, each championship represents all of New York scholastic sports and if, for any reason, something disrupts a championship, then the impact of such disruption will be felt by the NYSPHSAA, Inc. and its member schools. What appears at present to pose the greatest threat is the misbehavior of athletes or the lack of supervision responsibilities by coaches while attending such championships.

Code of Conduct for Athletes

1. Use of alcoholic beverages, tobacco products and other drugs (unless prescribed by a physician) will not be tolerated.
2. All curfews and bed checks will be adhered to as set up by the supervisor or coach in charge.
3. Athletes are responsible for their conduct in regard to public property such as: hotel rooms, transporting vehicles, field and courts, locker rooms, etc. Athletes or the school that they represent will be held financially responsible for any damage that they incur.
4. Hotel rooms will be inspected by the supervisor and the occupants of each room prior to the occupying of each room and again before check-out.
5. Athletes must use transportation authorized by their section and school to and from the event.
6. There will be no gambling of any kind.

General Guidelines

1. Athletes should stay in groups when traveling or sightseeing. DO NOT TRAVEL ALONE or leave the group.
2. Athletes should make sure the supervisor/coach knows where they are, who is with them, and when they will return when leaving the general area of the contest.
3. Dress for all trips should be neat, clean and socially acceptable. Athletes are representing their Section as well as their own school district. All actions reflect on these institutions.

Violation - Penalties

If an athlete violates an established rule, the coach or supervisor in charge has the responsibility of disciplining the athlete using the following guidelines:

1. If the violation is prior to the contest or event, the athlete will not be allowed to compete in the contest or further contests. The Section and home school will be notified and a recommendation from the Section for disciplinary action will be given.
2. If the violation is after the contest or event, the home school will be notified and a recommendation from the Section for disciplinary action will be given.
3. If a situation becomes intolerable, the parents and school will be notified immediately and arrangements will be made to transport the athlete home, at Section/school expense, and in the custody of a Section/school representative. If proper action is not taken by the home school, sanctions may be imposed by the Section and/or State Association against the athlete or school district.

I have read and understand the Code of Conduct.

2. Set curfews and bed checks and implement them.
3. Be responsible for athletes from departure point of trip until trip is completed and ensure that all athletes have transportation to their home.
4. Conduct room checks and inspection of hotel room with occupants of each room prior to the night's stay, and check/inspect each hotel room after the night's stay. Report any damage, which will be the responsibility of the occupants of the room.
5. Submit Hotel Report form to hotel.
6. Make sure all parent signature slips are in and emergency information is complete.
7. Notify proper authorities in cases of serious injury to athletes.
8. Know where athletes are at all times.

Soccer Coaches

NYSPHSAA

**Yellow Card Accumulation Policy
Approved**

It is the intention of the NYSPHSAA to address the issue of the accumulation of Yellow Cards during the soccer season by an individual player or coach. The situations surrounding Red Cards are dealt with directly under the NYSPHSAA Guidelines for Sportsmanship and Misconducts outlined in the State Handbook for all sports. The consequences for the accumulation of excessive Yellow Cards will be as follows:

1. Five Yellow Cards accumulated by a single player or a coach in the regular season will result in a one game suspension. Disqualifications due to an accumulation of five yellow cards occurring in the last game of the season will carry over to the next season of participation.
2. The continued accumulation of Yellow Cards by the same individual (player or coach) will result in a one game suspension per additional Yellow Card.
3. In the event that the player or coach receives two Yellow Cards in the same game, resulting in a Red Card, the two Yellow Cards will not count toward the season total, since the individual will receive a one game suspension as a result of the misconduct and ejection.
4. The accumulation card total is for regular season play only and the process will start over again for post season play. However, any penalties awarded as a result of the last regular season game will carry over into the post season.
5. The post season policy will provide a one game suspension after three Yellow Cards and a one game suspension for each additional card received through the State Final.
6. The coaches, or athletic directors, of both schools are to report all Yellow Cards to their League and Section by means of Mail, E-mail or Fax for tabulation. The officials should report to their boards concerning games in which cards are given and the reasons for issuance of the card. Board policy will determine the method of notification to the League and Section.
A final end of the year report including data on disqualifications shall be sent to the NYSPHSAA Sportsmanship Coordinator. Data will be collected for all high school soccer teams (girls and boys). Although the rule is in place for the modified level athletes and coaches, data will not be collected at the modified level.
7. Refusing to report, or failing to report infractions and allowing a player or a coach to continue play under these circumstances will result in the forfeiture of all games in which the individual in question participated.
