## NEW INFORMATION & REMINDERS 2023-2024 RULES CHANGES

**3-3-2b (2,3) (NEW) Permits the referee to stop the clock to review game situations at any time without negatively impacting a player's ability to remain in the game.**

**Rationale:** *This rule change affords the ability for the referee to stop the clock and review situations without negatively affecting a player's ability to remain in the game. However, once the referee beckons a medical professional or coach onto the field to further assess, the player must leave the field of play.*

**3-3-7 Clarifies where a player should re-enter the game to avoid confusion.**

**Rationale:** *This rule change clarifies that a player should re-enter the game from the official area at midfield. This avoids potential confusion as to who is or is not in the game.*

**3-4-1e (NEW) Clarifies players should exit the field on the bench side unless unable to do so due to injury.**

**Rationale:** *To assist the officials in the managing of substitutions, players should exit the field from the bench side when the substitute(s) are beckoned on by the referee unless the player(s) is unable to do so because of an injury. This avoids unnecessary interaction with opposing teams and fans and minimizes the potential for unsporting behavior.*

**4-2-12 (NEW) Defines how wearable technology devices may be worn.**

**Rationale:** *Sets a national standard for wearable technology. This change clarifies that these devices may be worn as a part of the shoe and/or under the uniform but not worn on the arm. Coaches and players are still not permitted to utilize technology to communicate during the game.*

**Rule 4 Reorganization Adjusts the structure of the uniform rule to offer clarity.**

**Rationale:** *The reorganization of the uniform rule breaks up the rule into bite-size pieces that are easier for coaches and officials to apply.*

**11-1-5 (NEW) Defines deliberately playing the ball to clarify the existing rules.**

**Rationale:** *Defines the criteria for deliberately playing the ball when determining an offside infraction.*

**12-1-1 thru 3 (NEW), 18-1-1 Clarifies various foul categories and defines the seven direct free kick fouls to provide consistency.**

**Rationale:** *The new article in Rule 12 and added definitions to Rule 18 define the seven direct free kick fouls and provide consistency for officials interpreting misconduct.*

**12-2-2,3 (NEW) Clarifies that neither accidental nor deliberate hand/arm contact can result in a goal.**

**Rationale:** *The new articles eliminate the necessity for the referee to determine if the hand/arm contact was accidental or deliberate. Now, neither accidental nor deliberate contact with the hand/arm result in a goal for greater consistency and ease of interpretation.*

**12-7-5 (NEW) Offers clarity regarding goalkeeper handling not permitted outside and inside the penalty area.**

**Rationale:** *Adding language and direction for officials regarding goalkeeper handling outside the penalty area and inside the penalty area when they are not permitted to handle the ball.*

**12-8-4 (NEW), 12-8-1f(14, 15), 12-8-2d (3,4) Defines considerations of denying an obvious goal-scoring opportunity (DOGSO).**

**Rationale:** *This rule defines the considerations of an obvious goal-scoring opportunity to provide additional consistency and clarity for referees.*

## **2023-24 SOCCER EDITORIAL CHANGES**

### **9-1-1a**

#### **2023-24 Points of Emphasis**

- 1. Wearable Technology**
- 2. Coaching and Team Area Decorum**
- 3. Denying an Obvious Goal Scoring Opportunity (DOGSO)**
- 4. Substitutions**

## Season Reminders

1. It is against NYSPHSAA rules for boys and girls to practice, scrimmage, or train together
2. If you play a game against a school's "B" varsity team, **the game counts BUT the points do not count towards seeding**
3. A player must have been an eligible participant on a team, in that sport, in that school, for a minimum of six (6) scheduled contests during the regular season to participate in post-season play.
4. **Only games played before the seeding meeting will be used for seeding purposes.**
5. If you are seeking committee selection to the tournament a letter signed by your Athletic Director stating your request must be received **1 day** before the seeding meeting.

## Seeding Meeting

1. The seeding meeting is: Thursday, October 19th, at the HVSD. 7:00.

## Postseason Recognition

1. At the end of the season you will be asked to submit the names of up to four (4) players from your team for ALL-STAR recognition.
2. A sheet with all players names will be returned to you. From the selection of CLASS players you will vote for the top 11 players on this list. You will be making your dream team.
3. You will be given a time period to return this information. If you miss this deadline your Athletic Director (AD) will be notified.
4. We thank you for your cooperation and stress the quick turn-around because we are also faced with deadlines. The committee doing this had to send out, collect, do the tabulations, complete a list, and send it out again. They are also coaches with teams in postseason play.
5. Please help us get this done on time.

**CURRENT CLASSIFICATION OF SCHOOLS - [See Appendix A](#)**

**COACHES CODE OF CONDUCT - [See Appendix B](#)**

**BAD WEATHER PROCEDURE - [See Appendix C/D](#)**

Heat Index Procedures - [See Appendix C](#)

Weather Delays, Cancellations, Lightning and Thunder Policy - [See Appendix D](#)

Emergency Cancellation and Declared Emergencies

- Chairpeople and Athletic Director's from both schools shall be involved in the decision to cancel and reschedule games.
- NYSPHSAA guidelines will be followed.

## YELLOW CARD ACCUMULATION POLICY

The consequences for the accumulation of excessive Yellow Cards will be as follows:

1. Five (5) Yellow Cards accumulated by a single player or coach in the regular season will result in a one game suspension. Disqualifications due to an accumulation of five (5) Yellow Cards occurring in the last game of the season will carry over into the next season of participation, if the team does not enter postseason play.
2. The continued accumulation of Yellow Cards by the same individual or coach will result in a one game suspension per additional Yellow Card.
3. In the event that the player or coach receives two Yellow Cards in the same game, resulting in a Red Card, the two Yellow Cards will not count toward the season total, since the player or coach will receive a one game suspension as a result of the misconduct and ejection.
4. The accumulation card total is for regular season play ONLY and the process will start over again for postseason play. However, any penalties awarded as a result of the last regular season game will carry over into the postseason.
5. The postseason policy will provide a one (1) game suspension after three (3) Yellow Cards and a one (1) game suspension for each additional card received through the State Final. A one game suspension resulting from a Yellow Card in a team's last postseason game will carry over into the next season of participation.
6. The coaches of both schools are to report all Yellow Cards to their League and Section by means of Mail, eMail, or Fax for tabulation. The officials should report to their boards concerning games in which cards are given and the reasons for issuance of the card. Board policy will determine the method of notification to the League and Section.
  1. A final end of year report including data on disqualifications shall be sent to the NYSPHSAA Sportsmanship Coordinator.
7. Refusing to report, or failing to report infractions and allowing players to continue play under these circumstances will result in the forfeiture of all games in which the individual in question participated.

## RED CARD ACCUMULATION POLICY

**Note 1:** *There is no appeal to a red card. The official's decision is final.*

**Note 2:** *Disqualifications from one season will carry over to the next season of participation.*

**Note 3:** *Not being physically present at the site means the disqualified coach/player is not to be present in the locker room, on the sidelines, in the stands or site area before, during or after the game.*

### 1. Coach Ejection

- a. Any coach excluded by a certified official from an inter school competition for unsportsmanlike conduct is ineligible to coach any inter school competition in that sport until after the next previously scheduled contest at the same level (e.g. junior varsity, varsity, etc.) has been completed. *The coach may not be present at the game site.*
- b. A coach who strikes, shoves, kicks or makes other physical contact with the intent to do so to another person (e.g. official, another coach, player, fan) shall be expelled immediately and banned from further participation or coaching in all sports for one year from the date of the offense.

## **APPENDIX D - Weather Delays, Cancellations, Tornado, Lightning and Thunder Policy**

### **Procedures for Weather delays or cancellations of Section IX contests**

1. In sectional competition between two individual schools, e.g. baseball, basketball, etc., the respective superintendents of the competing schools will determine if weather conditions are safe enough for travel and competition. The Sports Chair for the contest in questions will advise the respective athletic directors of the playing venue conditions.
2. In sectional competition involving multiple schools, the respective Sports Chair will advise the Executive Director or Designee of any adverse conditions. The Executive Director or Designee will consult with the participating schools then decide whether to hold or cancel the competition.
3. All sectional scheduling will include a make-up date, published in advance, to be used if necessary.
4. In the unlikely event that no sectional play is possible to determine a Section IX representative for state competition, the Executive Director or Designee in consultation with the representative Sports Chair will determine the sectional representative. Under ordinary circumstances, this will be the highest seed. If, due to unforeseen circumstances, the highest seed is not chosen, the selection of the sectional representative by the Executive Director or Designee is final and binding.

### **Tornado Policy:**

1. **Tornado Watch** indicates tornadoes are possible. Event staff must continue to monitor the situation.
2. **Tornado Warning** tornado siren sounds signaling tornado sighted or tornado indicated by radar.

### **Guidelines and Procedures:**

1. If a tornado warning is initiated, immediate event delay shall be implemented, and all participants, spectators, and athletic staff shall seek shelter immediately. Once inside a secure location, tune to local weather alert radio to be informed of the storm location, path, and duration of tornado warning.
  - a. Warning may be extended or a new warning issued at any time, so continue to monitor.
2. Safe shelter from tornadoes inside the lowest building level, away from exterior walls / windows, with windows closed.
3. All clear - tornado warning will expire after duration specified by the National Weather Service and the site director will notify all involved that the warning has ended, and the event may resume.
