- **Game Statistics card** [HERE](#). **Team Roster card** [HERE](#).
  - Free, editable, open source, printable spreadsheets. Does not need to replace your system.

### Scrimmage Rules

1. A soccer scrimmage **may not exceed a total of 100 minutes** and unlimited substitutions are permitted. The length of time for the **periods of play is to be determined by the coaches**, not to exceed 40-minutes in any one period: halves, three-quarters or quarters.
2. **Scoreboards may be used for timekeeping only.** The clock will begin with the goal keeper in possession of the ball. When a goal is scored, **play will be restarted with goalie possession.**
3. The goalie can restart play with a goal kick, goalie throw or goalie punts.

### Practices and Games

- It is against NYSPHSAA rules for boys and girls to practice, scrimmage, or train together
- If you play a game against a school's "B" varsity team, **the game counts for overall record BUT the points do not count towards seeding**
- **Only games played before the seeding meeting will be used for seeding purposes.**

### Point Cards and Seeding

- **The Point Card can be downloaded** [HERE](#).
- Return your season log to the Soccer Coordinator and your listed Chairperson **by the due date above.**
- **If your season ends earlier, send in your point card ASAP**

### Postseason Recognition

From the selection of CLASS players you will vote for the top 11 players on this list to form a team. You will be given a time period to return this information. If you miss this deadline your Athletic Director (AD) will be notified.

## 2026 - 2027 RULES CHANGES

- **4-2-7d,e (NEW): Offers guidance on appropriate tooth and mouth protector elements.**
  - **Rationale:** The overall purpose and function of the tooth and mouth protector is to protect the teeth, the mouth, and lips if it has a lip guard. Items that are added or included on the tooth and mouth protector that do not serve a purpose or function in the protection of the teeth or mouth should not be allowed. Also, items that are a part of the tooth and mouth protector that are a health risk to the individual wearing it should not be allowed.
- **4-2-11a thru c NOTE 2 (NEW): Prohibits players from wearing audio or video devices while participating in a match.**
  - **Rationale:** No athlete participating in a match is permitted to wear any type of audio or video device to record, transmit, or live stream. This language aligns with other NFHS rules books. The use of electronic communication devices with players on the field is still prohibited. State associations may further restrict electronic devices.
- **12-2-3: Adds biting to direct free kick fouls.**
  - **Rationale:** Incorporates biting into direct free kick fouls.
- **12-3-1 thru 3: Extends goalkeeper possession limit and adjusts the penalty when the time limit is exceeded.**
  - **Rationale:** Reorganizes goalkeeper restrictions, extends goalkeeper possession limit from six to eight seconds and changes the penalty from indirect free kick at the point of infraction to a corner kick. It brings the rule in line with the spirit of the game and gives officials clearer authority and makes the punishment less severe when the goalkeeper clearly exceeds the time limit.
- **12-3-6 & 7 (NEW): Offers flexibility for officials when addressing verbal offenses by categorizing them as indirect free kick fouls.**
  - **Rationale:** By including "other verbal offenses" as an indirect free kick foul, this also gives more flexibility for officials when disciplining verbal offenses: they are now considered fouls at a minimum and may rise to the level of misconduct depending on the circumstances. New Article 7 then addresses any other reason for which play is stopped for misconduct; play is restarted with an indirect free kick.
- **12-6-1b (1-4) (NEW): Adds language to provide additional guidance regarding DOGSO.**
  - **Rationale:** This change clarifies and simplifies the language surrounding DOGSO ejections by removing redundant wording, eliminating references to "attempted" DOGSO, since intent is not part of the decision, and aligns with previous rule wording within Rule 12. The updated structure provides four clear categories for denying a goal or obvious opportunity.

## 2026 - 27 Editorial Changes

- **8-1-2:** Clarifies when a kickoff should be retaken, specifically when not all players are on their half of the field.
  - **Rationale:** This change provides clarity on the differing restarts regarding kickoff offenses. This change explicitly addresses situations when the kickoff should be retaken because players were not properly positioned on their half of the field.
- **5-3-1f-j:** Change updates the officiating procedures for issuing yellow and red cards by removing the term carded in favor of consistent terminology already used in the rules book; cautioned and ejected.
  - **Rationale:** This aligns terminology by removing the term “carded” and using language found within the rules book. Explicitly defining that cautions correspond to yellow cards and ejections correspond to red cards provide clarity. Repeated or redundant language has been reorganized into new sub articles to improve readability and consistency across the rule. Additionally, the revision clarifies that any player who is shown a card, yellow or red, must still leave the field of play and that officials are responsible for directing the player to do so.
- **8-1-2:** Clarifies when a kickoff should be retaken, specifically when not all players are on their half of the field.
  - **Rationale:** This change provides clarity on the differing restarts regarding kickoff offenses. This change explicitly addresses situations when the kickoff should be retaken because players were not properly positioned on their half of the field.
- **12-3-5:** Clarifies considerations of dangerous play.
  - **Rationale:** Adds clarifying language to the considerations for dangerous play that include actions that prevent a nearby opponent from playing the ball for fear of injury.
- **13-1 thru 3:** Reorganizes free kick restart procedures into distinct categories, clarifying when, where, and how free kicks are awarded and taken, while incorporating guidance for situations involving outside agents, off-field offenses, thrown objects, and unauthorized field entry or exit.
  - **Rationale:** The revision of Rule 13 clarifies the procedures for restarts on free kicks by breaking the rule into distinct categories, outlining when and where free kicks are awarded, and detailing how they should be taken. It also specifies the correct restart locations and provides guidance for officials on managing these situations. Additionally, the update incorporates restart procedures for scenarios involving outside agents, offenses occurring off the field, thrown objects, individuals entering the field illegally, players leaving the field without permission, and offenses that occur outside the field of play.
- **Rule 14:** Encroachment is now penalized only when it clearly impacts the kick outcome, and goalkeepers receive a warning for a first offense rather than an immediate caution. Deceptive movements and stutter-stepping remain permitted during the run-up, but feinting after the approach is completed is prohibited.
  - **Rationale:** The rewrite ensures that encroachment is now only penalized if the offense has a clear impact on the penalty kick. Goalkeepers will now receive a warning for a first offense rather than an immediate caution, acknowledging that such infractions often stem from mis-anticipation. Regarding the kicker, the revisions continue to allow for deceptive movements and stutter-stepping during the run-up; however, the change strictly prohibits feinting once the approach to the ball is completed. Finally, in rare instances where both the kicker and goalkeeper offend simultaneously, the kicker is penalized, as their illegal feinting is typically the catalyst for the goalkeeper’s infraction. The penalty chart is also updated and reformatted for clarity.

## 2026 - 27 Points of Emphasis

- **12-1-2c:** Emphasizes the importance of goalkeeper safety when in possession of the ball and improves clarity for consistent officiating purposes.
  - **Rationale:** Overall, this change aligns the rule with consistent officiating practice, removes redundancies and improves clarity without materially altering when a charge is or is not permitted. The change consolidates language referring to the goalkeeper controlling the ball with their hands, where the simplified language refers to the full, shared definition referenced in a later section. This change emphasizes the core safety concept that remains unchanged: the goalkeeper in possession of the ball with their hands cannot be charged or challenged.

## YELLOW CARD ACCUMULATION POLICY

The consequences for the accumulation of excessive Yellow Cards will be as follows:

1. Five (5) Yellow Cards accumulated by a single player or coach in the regular season will result in a one (1) game suspension. Disqualifications due to an accumulation of five Yellow Cards occurring in the last game of the season will carry over into the next season of participation, if the team does not enter postseason play.
2. The continued accumulation of Yellow Cards by the same individual or coach will result in a one (1) game suspension per additional Yellow Card.
3. In the event that the player or coach receives two (2) Yellow Cards in the same game, resulting in a Red Card, the two Yellow Cards will not count toward the season total, since the player or coach will receive a one game suspension as a result of the misconduct and ejection.
4. The accumulation card total is for regular season play ONLY and the process will start over again for postseason play. However, any penalties awarded as a result of the last regular season game will carry over into the postseason.
5. The postseason policy will provide a one (1) game suspension after three (3) Yellow Cards and a one (1) game suspension for each additional card received through the State Final. A one game suspension resulting from a Yellow Card in a team's last postseason game will carry over into the next season of participation.
6. The coaches of both schools are to report all Yellow Cards to their League and Section by means of Mail, Email, or Fax for tabulation. The officials should report to their boards concerning games in which cards are given and the reasons for issuance of the card. Board policy will determine the method of notification to the League and Section.
  1. A final end of year report including data on disqualifications shall be sent to the NYSPHSAA Sportsmanship Coordinator.
7. Refusing to report, or failing to report infractions and allowing players to continue play under these circumstances will result in the forfeiture of all games in which the individual in question participated.

## RED CARD ACCUMULATION POLICY

**Note 1:** *There is no appeal to a red card. The official's decision is final.*

**Note 2:** *Disqualifications from one season will carry over to the next season of participation.*

### Section IX Coaches Code of Conduct

*In order to ensure that the principles of sportsmanship, fair play, skill development, and mutual respect among players, coaches, officials and spectators are the primary considerations governing competition in Section IX, the following Code of Conduct has been established and adopted.*

#### **Each coach shall:**

1. Know the rules and abide by them. Instruct team members in the rules and coach their team in such a way as to motivate each player to compete according to the rules at all times.
2. Respect the game officials and refrain from questioning their decisions in a disrespectful and abusive manner. No negative comments in the media.
3. Ensure that all facility rules and regulations are followed by the players, coaches, and spectators, respecting at all times the property of others.
4. Assist the game officials in maintaining control of spectators during the games when necessary.
5. Respect the coaches and players of the opposing team and demonstrate appropriate gestures of sportsmanship during the play of the game and at its conclusion. Be humble and generous in victory. Be proud and courteous in defeat. Teach each player, especially through personal example, to be humble and generous in victory and proud and courteous in defeat.
6. Maintain emotional and physical control, avoiding the use of abusive language or profanity, humiliating remarks, gestures of ill temper, and physical assault upon another individual. Coaches should refrain from making comments from the bench during an opponent's free kicks or throw-ins.
7. Instruct team support personnel (e.g. assistant coaches, managers, scorebook keepers, and timekeepers) in their responsibilities in accordance with established rules and procedures.
8. Realize, accept and practice the principle that a team's reputation is built not only on its playing ability, but also on its sportsmanship, courtesy and conduct.

## **APPENDIX D - Weather Delays, Cancellations, Tornado, Lightning and Thunder Policy**

### **Procedures for Weather delays or cancellations of Section IX contests**

1. In sectional competition between two individual schools, e.g. baseball, basketball, etc., the respective superintendents of the competing schools will determine if weather conditions are safe enough for travel and competition. The Sports Chair for the contest in questions will advise the respective athletic directors of the playing venue conditions.
2. In sectional competition involving multiple schools, the respective Sports Chair will advise the Executive Director or Designee of any adverse conditions. The Executive Director or Designee will consult with the participating schools then decide whether to hold or cancel the competition.
3. All sectional scheduling will include a make-up date, published in advance, to be used if necessary.
4. In the unlikely event that no sectional play is possible to determine a Section IX representative for state competition, the Executive Director or Designee in consultation with the representative Sports Chair will determine the sectional representative. Under ordinary circumstances, this will be the highest seed. If, due to unforeseen circumstances, the highest seed is not chosen, the selection of the sectional representative by the Executive Director or Designee is final and binding.

### **Tornado Policy:**

1. **Tornado Watch** indicates tornadoes are possible. Event staff must continue to monitor the situation.
2. **Tornado Warning:** tornado siren sounds signaling tornado sighted or tornado indicated by radar.

### **Guidelines and Procedures:**

1. If a tornado warning is initiated, immediate event delay shall be implemented, and all participants, spectators, and athletic staff shall seek shelter immediately. Once inside a secure location, tune to local weather alert radio to be informed of the storm location, path, and duration of tornado warning.
  - a. Warning may be extended or a new warning issued at any time, so continue to monitor.
2. Safe shelter from tornadoes inside the lowest building level, away from exterior walls / windows, with windows closed.
3. All clear - tornado warning will expire after duration specified by the National Weather Service and the site director will notify all involved that the warning has ended, and the event may resume.
