**SEED TIMES AND SEEDED RACES**

For many teams, our meet is the first competition of the spring season. For that reason, we strongly recommend teams **use seed times from last spring season** (should come up in MileSplit) for your top athletes. Please estimate **realistic** seed times for freshmen and newcomers.

Athletes may score from 400 and 1500/1600 unseeded races based on time. Regardless of seed times, only the top 3 athletes per team will be in the seeded section. All others will be placed in unseeded. 1500/1600 seeded sections will be decided based on a natural break and/or safe number of athletes.

Top 32 seeds in 100 and Sprint Hurdles will run semi-finals to advance to final. **Top 2** in each heat advance to finals. All other seeds will run trial heats with no possibility of advancing.

**MEET RULES AND MISC.**

1. Unlimited entries in all individual running and field events (Max 4 per athlete).
2. ¼ inch spikes (max) allowed.
3. Competitors in all field events will be allowed 3 attempts. No finals.
4. Field Event competitors may compete in Frosh/Soph or Varsity not both for same event.
5. All track competitors will check in with the clerk of the course when their event is called.
6. All events will be scored.
7. Schools may enter more than one team for Frosh/Soph. but only one can score. **One relay team only for “Varsity Relays”.**
