SECTION 2

(Qualifying)

PROTOCOL FOR ATHLETES TO QUALIFY FOR THE STATE SWIMMING AND DIVING CHAMPIONSHIPS

Swimmers will have the opportunity to qualify for the NYSPHSAA/NYS Federation Championship Meet if they meet the event qualifying standard during the regular season.

Swimmers who have qualified for the NYSPHSAA/NYS Federation Championship Meet are required to participate in their respective Sectional Championship Meet. Swimmers are not required to swim the event(s) in which they have met the qualifying standard. If circumstances out of the swimmer's control, such as injury or illness, prohibited participation in the Sectional Championship Meet, the school may appeal to the Section.

The Section champion in each event will represent the Section in the NYSPHSAA/NYS Federation Championship Meet. If the champion chooses not to attend the State Meet or swim another event in which they have qualified, then the Section may replace the swimmer with the 2nd place finisher. If a Section has more than one (1) class meet, the fastest individual from the final day of competition from all the classes would be the eligible athlete to move on as well as any other swimmer who met the qualifying standard.

FAT Timing (Fully Automatic Timing) or three (3) hand held watches must be used for the time to meet the qualifying standard. Divers must be scored by NFHS certified.

- B. Follow all OCIAA & MHAL rules, regulations and application process.

9. Shadowing:

- A team of less than 7 members will be a “shadowing” team (determined on day one of the start of the competitive season).
- The shadowing team will follow an identified parent team’s dual meet schedule.
- It is the shadowing team’s responsibility, or its named representative, to contact the other two participating schools one day in advance to inform them of the additional heats that will be required due to permitting all athletes to participate in the number of required events by NFHS rules.
- All athletes from shadowing schools should be given the opportunity to swim in the faster heats if their time warrants that type of placement.

10. Lane assignments are decided upon NFHS Rules and a “shadowing team” will use the lanes assigned to the parent team they are shadowing regardless of what heat they are swimming in.

11. If any shadowing swimmer's time is equal or better, the parent or shadowed school's coach makes determination to "shadowing" the swimmer's heat.

12. If the shadowing swimmer's time is said to be faster than the parent school's third swimmer, then the shadowing school’s athlete will swim in the faster heat and the parent school's third swimmer will then be placed into the extra preceding heat.

- To avoid swimming in a heat alone the opposing school will move its third swimmer into the same preceding heat.
- You will score only the deeded or named ‘third’ swimmers designated by the coaches prior to the event.
- Any additional lanes may be filled with extra swimmers as exhibition.

SECTION IX

Unsportsmanlike Conduct Rule

Sportsmanship: The NYSPHSAA and Section IX recognizes and appreciates that the influence and responsibility of the school administration with regard to good sportsmanship extends to all levels of competition. However, it must also be seen that the NYSPHSAA AND Section IX has been vested with the responsibility to ensure that all contests under its jurisdiction are conducted satisfactorily. This standard applies to all regular season and post schedule play.

As of July 1, 2013, the Dignity for All Students Act (Dignity Act-Section 52.2, Part 80 and 57-4) is to provide all public-school students with an environment free from harassment, bullying (including cyber bullying) and discrimination, as well as to foster civility in public schools. The Dignity Act focuses on the prevention of discrimination behaviors, including harassment/bullying through the promotion of educational measures meant to positively impact school culture and climate, which includes the interscholastic programs.

Use of derogatory or racially explicit language; discriminatory harassment or bias conduct that creates a hostile environment that is disruptive to the educational environment. Spectators shall not be permitted to use vulgar/offensive or racially/culturally insensitive language or engage in any racially/culturally insensitive action. NYSPHSAA Sections may sanction, censure or place schools on probation that fail to address derogatory or inappropriate behavior deemed harmful to physical or mental well-being for those involved in interscholastic activities. (July 2023)

1. Coach (**There is no appeal to a coach ejection. The official's decision is final.** (Please refer to the **NYSPHSAA Handbook – Sportsmanship; Standard 28**): 1. Any coach excluded by a certified official from an interschool competition for unsportsmanlike conduct is ineligible to coach any interschool competition in that sport until after the next previously scheduled contest at the same level (e.g. junior varsity, varsity, etc.) has been completed. Disqualification from one season carries over to the next season of participation. **The coach may not be present at the game site** or communicate in any manner during the contest with any person present at the site. **NOTE:** “Not being physically present at the site” means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands or site area before, during or after the game/meet.

Any coach that does not serve the penalty for violating the Sportsmanship Standard will be ineligible to participate in the next two regularly scheduled contests. If the coach continues to not serve the penalty, the matter will be referred to the Section for further action. If the coach is involved in the NYSPHSAA play-offs, the matter will be referred to the Executive Director of the NYSPHSAA.

The period of ineligibility cannot exceed one year from the date of the disqualification.

Spectator Policy at Athletic Contests:

1.Expectation Statement: Officials, just like student athletes and coaches, are critical to interscholastic sports programs. Without officials, NYSPHSAA and its member schools would not be able to provide interscholastic sports in the manner that is desired and expected by student athletes, coaches, and parents. Spectators are expected to "Be Loud, Be Proud, and Be Positive." Negative comments and inappropriate behaviors by spectators are required to be addressed by all and any school supervisors and administrators, as a member of NYSPHSAA. Spectators may be prohibited from attending current and future interscholastic contests based on their behavior. (Oct. 2022)

2.Spectator Regulation: Any negative, inappropriate, derogatory comments or actions that draw the direct attention of a supervisor or school administrator by a spectator or group of spectators are required to be addressed by the host school, Sectional or NYSPHSAA representative in the following non-sequential order depending on the comments or behavior:•First warning – Directing the spectator or group of spectators to refrain from any negative comments or actions.

•Second warning – A personal discussion with the spectators or group of spectators on the above NYSPHSAA expectations and reminding the spectators or group of spectators of the next step, removal of the game or event, will be utilized if the behavior continues.

•Removal from the contest – The spectator or group of spectators will be directed to leave the facility for the remainder of the game or event. If spectators or group of spectators refuse to leave the game or event, play will be stopped until they vacate the premise.

Penalty for being removed from a game or event:

Any spectator removed from a game or event **will have a minimum penalty of completing the NFHS Parent Credential course or a one game suspension before they are allowed to attend any interscholastic event.** Once the course is completed the spectator will provide a certificate of completion to the athletic department office. Schools are required to communicate with the offending spectator on the NYSPHSAA Sportsmanship Spectator Expectations.

• Depending on the severity of the behavior/comments or future disqualifications by the offending spectator NYSPHSAA and the Section may get directly involved in the situation. **(May 2023)**
