### **2016 Women's Volleyball Rules Changes**

Rule	Page	Rules Change and Rationale
7.1.2.1	27	Players' jerseys must be marked with an Arabic numeral.  <b>Rationale:</b> The additional descriptor ("Arabic") provides a better definition of a jersey numeral, avoiding numeral styles that are difficult to discern.
7.1.2.4	27	Beginning in 2019, the jersey number must be of a color that is clearly in distinct contrast with the color of the jersey, irrespective of any border around the number.  <b>Rationale:</b> Jersey numbers are becoming increasingly difficult to see. This will provide a clearer view of the jersey number for the officials, coaches, fans and media. This change will go into effect in 2019.
7.1.3.3 (NEW)	28	Current rules do not place any restrictions on the quantity, size or placement of conference logos on the jersey. Beginning in 2019, the jersey may contain a single conference logo. The logo may not exceed 3x5 or 4x4 square inches. The conference logo must not obstruct the players' number.  <b>Rationale:</b> There are currently no restrictions on conference logos. This will provide new guidelines for conference logos and insure the visibility of the uniform number. While conference logos are currently permitted on the jersey, these restrictions on size and location will go into effect in 2019.
15.1.1.1	58	Eliminate the pursuit rule.  <b>Rationale:</b> The elimination of this rule has been proposed by the membership and discussed by the rules committee for several years due to safety concerns for players, coaches and officials. Data shows an increase in injuries as a result of the pursuit rule. The rules committee reviewed numerous videos that showed collisions and near-collisions between opposing players, as well as contact resulting in serious injuries to officials. The committee felt that players should play the ball only on their half of the playing surface and not on their opponent's half. The risk of injuries, including some that could be catastrophic in nature, was enough to recommend eliminating this rule.

NEW	<p>Implement the Challenge Review System (CRS):</p> <ul style="list-style-type: none"> <li>• 3 challenges per team per match (challenges are not tied to timeouts).</li> <li>• Only the team that lost the rally may challenge. If the call is reversed as a result of that challenge, the team that lost the review would be able to challenge.</li> <li>• Each team is limited to one challenge per rally.</li> <li>• Coach must challenge before the referee's arm is extended for service beckon.</li> </ul> <p>Coaches may challenge the following actions:</p> <ul style="list-style-type: none"> <li>• Net faults (players contacting the net/antenna).</li> <li>• Player touching the ball (including four hits/blocker/defensive players).</li> <li>• Ball called in or out (including pancakes and antenna).</li> <li>• Service foot faults.</li> </ul> <p>Possible referee decisions would include:</p> <ul style="list-style-type: none"> <li>• Confirming the call.</li> <li>• Reversing the call.</li> <li>• Replaying the call based on video evidence.</li> <li>• Determining that the video review was inconclusive (original call stands).</li> </ul> <p>Any institution may use the challenge review system, but there is no requirement to do so. The rules do not define the equipment required (camera type, number of cameras, or location).</p> <p><b>Rationale:</b> Two conferences experimented with this rule during the 2015 season. A survey of the coaches who experimented with it showed unanimous support for adding the challenge review system as a permanent rule. The committee feels it is important to use current technology to help officials make the most accurate decisions possible.</p>

### **MATCH VS TOURNAMENT (approved at July 2016 CC meeting)**

**Approved in Girls Volleyball the following definition of a match so there is clarification between a match and tournament:**

**A match should consist of sets in a best of 3 of 5 format, all 25 point games. Dual and tri matches are consistent with the definition of a match.**

**A tournament is 4 or more teams that participate in a pool play and bracket format is not a match. A bracket can consist of best 2 of 3 or single set rounds. Scoring options are starting at 0-0 or 4-4 going until 25 points or a cap.**

In order to ensure that the principles of sportsmanship, fair play, skill development, and mutual respect among players, coaches, officials and spectators are the primary considerations governing competition in Section IX, the following Code of Conduct has been established and adopted.

Each coach shall:

1. Know the rules and abide by them. Instruct team members in the rules and coach his team in such a way as to motivate each player to compete according to the rules at all times.
2. Respect the game officials and refrain from questioning their decisions in a disrespectful or abusive manner. No negative comments in media.
3. Ensure that all facility rules and regulations are followed by the players, coaches and spectators, respecting at all times the property of others.
4. Assist the game officials in maintaining control of spectators during the games when necessary.
5. Respect the coaches and players of the opposing team and demonstrate appropriate gestures of sportsmanship during the play of the game and at its conclusion. Be humble and generous in victory. Be proud and courteous in defeat. Teach each player, especially through personal example, to be humble and generous in victory and proud and courteous in defeat.
6. Maintain emotional and physical control, avoiding the use of abusive language or profanity, humiliating remarks, gestures of ill temper, and physical assault upon another individual.
7. Instruct team support personnel (e.g., assistant coaches, managers, scorebook keepers, and timekeepers) in their responsibilities in accordance with established rules and procedures.

### **Introduction**

Any New York State Championship must achieve a standard of Excellence which places it beyond criticism either from an organizational or educational point of view. In essence, each championship represents all of New York scholastic sports and if, for any reason, something disrupts a championship, then the impact of such disruption will be felt by the NYSPHSAA, Inc. and its member schools. What appears at present to pose the greatest threat is the misbehavior of athletes or the lack of supervision responsibilities by coaches while attending such championships.

### **Code of Conduct for Athletes**

1. Use of alcoholic beverages, tobacco products and other drugs (unless prescribed by a physician) will not be tolerated.
2. All curfews and bed checks will be adhered to as set up by the supervisor or coach in charge.
3. Athletes are responsible for their conduct in regard to public property such as: hotel rooms, transporting vehicles, field and courts, locker rooms, etc. Athletes or the school that they represent will be held financially responsible for any damage that they incur.
4. Hotel rooms will be inspected by the supervisor and the occupants of each room prior to the occupying of each room and again before check-out.
5. Athletes must use transportation authorized by their section and school to and from the event.
6. There will be no gambling of any kind.

### **General Guidelines**

1. Athletes should stay in groups when traveling or sightseeing. DO NOT TRAVEL ALONE or leave the group.
2. Athletes should make sure the supervisor/coach knows where they are, who is with them, and when they will return when leaving the general area of the contest.
3. Dress for all trips should be neat, clean and socially acceptable. Athletes are representing their Section as well as their own school district. All actions reflect on these institutions.

### **Violation - Penalties**

If an athlete violates an established rule, the coach or supervisor in charge has the responsibility of disciplining the athlete using the following guidelines:

1. If the violation is prior to the contest or event, the athlete will not be allowed to compete in the contest or further contests. The Section and home school will be notified and a recommendation from the Section for disciplinary action will be given.
2. If the violation is after the contest or event, the home school will be notified and a recommendation from the Section for disciplinary action will be given.
3. If a situation becomes intolerable, the parents and school will be notified immediately and arrangements will be made to transport the athlete home, at Section/school expense, and in the custody of a Section/school representative. If proper action is not taken by the home school, sanctions may be imposed by the Section and/or State Association against the athlete or school district.

*I have read and understand the Code of Conduct.*

### **Coaches/Supervisors Responsibilities**

1. Enforce Code of Conduct for athletes. Discipline violators on the spot. Report problems to supervisors and send written reports to the Section and home school district.
2. Set curfews and bed checks and implement them.
3. Be responsible for athletes from departure point of trip until trip is completed and ensure that all athletes have transportation to their home.
4. Conduct room checks and inspection of hotel room with occupants of each room prior to the night's stay, and check/inspect each hotel room after the night's stay. Report any damage, which will be the responsibility of the occupants of the room.
5. Submit Hotel Report form to hotel.
6. Make sure all parent signature slips are in and emergency information is complete.
7. Notify proper authorities in cases of serious injury to athletes.
8. Know where athletes are at all times.
9. Abstain from the use of alcohol and controlled substances (unless prescribed by a physician). If violated the protocol/possible penalty is: 1) the school and Section will be notified; 2) documentation of the incident will occur; and 3) a recommendation from the Section for disciplinary action will be given.
10. Abstain from gambling of any kind.

*I understand my responsibilities to my athlete(s) and expectations of my behavior.*

**NYSPHSAA GUIDELINES  
FOR EMERGENCY CANCELLATION & DECLARED EMERGENCIES**

**EMERGENCY CANCELLATION** -Cancellation of school(s) or cancellation of an interscholastic athletic contest(s):

If an event is postponed, it will be rescheduled at a date and time mutually agreed upon by both school districts according to the policies of the league, and/or conference and/or Section. If there is a dispute on a rescheduled date or time, the league president (if there is one) or Section Executive Director, in accordance with Section policy, will make the final determination.

If a contest cannot be rescheduled, the contest will be declared as a “no contest”. Therefore, no win or loss will be recorded on the team’s season record. Sections will adjust the seeding procedure to ensure no negative impact will be imposed in the seeding procedure.

**DECLARED EMERGENCY POLICY** - In the event an emergency is declared by a BOCES or governmental agency at the local, state and/or national level the NYSPHSAA policy will be:

🕒 **LOCAL and COUNTY (included in this category are league, conference, Section, BOCES, etc)**

- If a local emergency is declared, schools will be expected to adhere to the constraints placed on the local school districts. In the event the postponement of scheduled interscholastic contests is required, the rescheduling of these contests will be determined by the league, conference or section policies.

🕒 **STATE** - If a state emergency is declared, all schools/school districts will determine whether they should postpone scheduled contests.

- If a school/school district determines it is in its community’s best interest to postpone a scheduled contest, that is a decision that rests with the Chief School Officer of both schools after consulting with each other. Nevertheless, if one Chief School Officer decides it is in the best interests of his/her school not to play, the contest will be postponed and rescheduled when and if possible.

- If an interscholastic athletic event is postponed, it will be rescheduled at a date and time mutually agreed upon by both school districts according to the policies of the league, and/or conference and/or Section. If there is a dispute on a rescheduled date or time, the league president (if there is one) or Section Executive Director in accordance with Section policy will make the final determination.

- If a contest cannot be rescheduled, the contest will be declared as a “no contest”. Therefore, no win or loss will be recorded on the team’s season record. Sections will adjust the seeding procedure to ensure no negative impact will be imposed in the seeding procedure.

- The NYSPHSAA will follow all appropriate directives and will determine whether interscholastic athletic competition will continue for its member schools.

🕒 **NATIONAL** - If a national emergency is declared, the NYSPHSAA will follow all appropriate directives and will determine whether interscholastic athletic competition will continue for its member schools.

- **Sectional Championships** - If a declared emergency is called during sectional events, the Section will make the determination whether to continue play after consulting with all appropriate health, NYSED and governmental agencies.

- **NYSPHSAA Championship** - If a declared emergency is called during NYSPHSAA events, the NYSPHSAA will make the determination whether to continue play after consulting with appropriate health, NYSED and governmental agencies.

**Please note:** Member schools should go to the NYSPHSAA web site ([www.nysphsaa.org](http://www.nysphsaa.org)) or your Section web site for specific directions and instructions.
