# THE SECTION NINE DUAL MEET TOURNAMENT

(continued)

**Eligibility:** Based on seeding criteria the Top 12 –D1 teams and top 2-D2 teams in Section 9 were invited to participate. This is an EXTRA tournament that does **NOT** count toward an Individuals 20 points or their 50% weigh-in rule. The 14 teams entered will wrestle to determine the overall SECTION NINE D1 & D2 dual meet champions. Losers are eliminated.

**Seeding:** The 2-D2 teams will wrestle each other.  
The 12-D1 teams will be placed on a 16 team bracket using the following guidelines:  
-The NUMBER OF SECTIONAL PTS (described above) will determine the top 4 teams.  
-Should any of the Top 4 teams have the same total points, # of returnees will be used as the tie breaker.  
-The top 4 teams will all earn a BYE in the round of 16 bracket.  
-The team with the most points will be entered on the bracket sheet as the #1 seed.  
-The remaining top 3 teams will be entered on the bracket in the spots of the 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> seed (but not necessarily in the correct order). If the semifinal matchup can be adjusted as to allow a matchup of two Top 4 teams that are not scheduled to wrestle during the year, the adjustment will be made as to get the head-to head matchup(s) for sectional seeding that we would not have had without making the adjustment.  
-The remaining 8 teams will be placed on the bracket to allow as many as possible matchups of teams that are not scheduled to wrestle each other during the season regardless of the teams point values. Another factor that could be considered in placing the remaining 8 teams is the teams available to host a site and travel distances.  
-There are no wrestlebacks or consolation matches in this tournament, the winner must beat everyone. Getting the matchups we would not normally get during the year to help us seed at the end of the year is more important than giving a team an easier or harder path to the championship.

**Entry Fee:** The non-host schools must pay for one full official's fee plus an official's travel fee. The OCIAA Athletic Office will bill each school participating for the officials. You do not need to bring a voucher. The host school is responsible for security, personnel, gate, custodians etc. They keep the gate fees received to offset their costs. Section 9 will pick up the cost of DAY #2.

**Trophies/ Plaques:** The top team will receive a team plaque at the Sectional Tournament. Members of the championship team will receive individual patches as:
